Von Charity Parkerson : The Wizard The Wanton (Sexy Witches Book 4) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wizard The Wanton (Sexy Witches Book 4) (English Edition):

Kurzbeschreibung A Fate lacking in inhibitions and the wizard who holds her powers in his grasp collide in the latest book in Best-selling Author Charity Parkersons Sexy Witches series. Out of the three Fates, Rowena is the wildest. No matter how hard she tries, she cant seem to stay out of trouble. Now, she is in the biggest fix of all time. Shes lost one of Heavens Seers to the Devil, and she needs Randalls help to find her. Once upon a time, Rowena pulled Randall Cruz into a supernatural fight to regain her powers. In retaliation, Randall cast a spell that gave him the control she seeks. Except for a few angels, a zombie, and an outrageous pixie, Randall enjoyed his quiet life as owner of the local apothecary before Rowena pushed her way in. Since the day they met, hes been forced to battle a pirate, give up wearing glasses, and now deal with the Devil. Every day, he braces for what will come next. An undeniable attraction, a struggle for dominance, and a love to last through the ages comes to life in The Wizard The Wanton.
