KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Big Easy not so easyVon sequelguerrierA Gothic tale from our times, this book draws you into the lives of a group of people in a decaying house in New Orleans; a house where present ad past inhabitants rub shoulders and too much bourbon

makes the narrator doubt his senses.

Kurzbeschreibung From the award-winning author of *Where the Rainbow Ends* and *The Haunted Heart* comes a witty tour de force of spirits, spooks, and sinners, a supernatural roller coaster set in the Big Easy that is giddy, soulful, and sentimental. Ghosts? Angels? Hallucinations? When a death occurs at Le Petite Paradis, a guesthouse in the French Quarter of New Orleans, the spirit world becomes unsettled, or so Avery Greene Dalrymple III, the co-owner believes. The son and grandson of Southern evangelists, Avery is also an overworked and overwrought middle-aged gay man, a cynical "big-time drinker and sinner" fairly certain he can maintain a family of "other deviants and delinquents stumbling along Bourbon Street" to keep him company. But Avery is also the only person in contact with the spirit world on his property ghosts from the houses origins during the 1820s and he must use the history left behind from another ghost a gay man from the 1970s to find a way to restore peace to his household and rejuvenate his faith. "Currier is one of the few writers who can be equally literary, erotic, dramatic and damn funny, sometimes all in the same sentence." --Sean Meriwether, *The Silent Hustler* "I love, love, love this book and I love New Orleans and I love Jameson Currier's skill. Put that all together and you have one 'helluva' read." --Amos Lassen, *Eureka Pride*
