Von Anne Rice : The Wolf Gift (The Wolf Gift Chronicles) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wolf Gift (The Wolf Gift Chronicles):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Endlich wieder ein Buch von Anne RiceVon Carmen M.nach meinem Geschmack. Ewig habe ich der Vampirserie und auch der Hexenserie (und den "Taltos") nachgetrauert, da kommt "Wolf Gift" und entfhrt mich in eine ganz neue Welt. Anne Rice hat zu ihrer alten Form zureckgefunden, und ich konnte dieses Buch regelrecht verschlingen. Der Hauptdarsteller ist mir sehr sympathisch und erfhrt am eigenen Leib, wie es ist, ein "Werwolf" zu werden (oder eher

ein "Wolfsmensch"). Doch muss das heißen, dass er dann weniger "menschlich" sein wird, und zur Bestie verkommt, die gnadenlos tötet? Die Antwort liegt in seinem Charakter...Nicht die blichen Werwölfe, Anne Rice springt hier nicht auf den Zug der bisherigen (Jugend-)Bücher auf, sondern beginnt am Anfang und erzählt eine ganz neue Geschichte. Wie schon bei den "Taltos", hat sie hier auch wieder eine neue Art erschaffen. Auch so könnte es sein. Ich freue mich schon sehr auf das nächste Buch und hoffe es geht lange und spannend weiter.0 von 0 Kunden fanden die folgende Rezension hilfreich. Not as engaging as her vampire chronicles, but I'm still curious where it will lead to.Von Johnny NysAnne Rice is in good form with this new story to the werewolf mythology. I didn't even have to finish the book to buy its sequel. Not as engaging as her vampire chronicles, but I'm still curious where it will lead to.I particularly liked the first part of the story, where Reuben thinks about what his parents and girlfriend would say about everything he sees; a very exhausting life if you ask me. But naturally, this is a prelude to what he literally experience once he has changed, hearing everyone for miles around.0 von 0 Kunden fanden die folgende Rezension hilfreich. MiesVon CaranaraBin ein großer Fan der Vampir-Chroniken und hatte mich auf was spannendes Neues gefreut. Leider enttäuschend auf der ganzen Linie. Klischeehaft bis zum abwinken und Stimmung kommt auch keine auf. Das hat mich sehr überrascht, da das bei Rice sonst nie ein Problem ist.Fand das Buch so schlecht, dass ich es nicht bis zuende lesen konnte. Altpapier!

KurzbeschreibungMAN OR MONSTER?Anne Rice reinvented the vampire legend. Discover what she's done with the werewolf myth.After a brutal attack Reuben finds himself changing. His hair is longer, his skin is more sensitive and he can hear things he never could before.Now he must confront the beast within him or lose himself completely.PressestimmenThe Wolf Gift is vintage Anne Rice a lushly written, gothicmetaphysical tale. This time, with werewolves.Alexandra Alter, The Wall Street Journal Anne Rice has done it again. In her latest novel, The Wolf Gift, the woman who single-handedly, reinvented the vampire genre puts her formidable talent to work rewriting werewolf lore and in the end succeeds magnificently.Nola Cancel, Examiner[Rice] returns to the lushly evocative scenery and gothic atmosphere of her vampire novels with great success. . . her reimagining of a well-worn mythology is fresh and intriguing. Fans of Rice's The Vampire Chronicles and The Lives of the Mayfair Witches series should delight in this new saga delivered in the author's distinctive style. Part creation story, part love story, all excellent!Bette Lee Fox, Library Journal (starred)I want to howl at the moon over thisI devoured these pages[A] terrific new novel. . . . The plot [is] magnetic, the characters fascinating, and Rice's style as solid and engaging as anything she has written since her early vampire chronicle fiction.Alan Cheuse, The Boston GlobeRice weaves her trademark meditations on the role of supernatural creatures in society into an often thrilling, page-turning yarnKristine Huntley, Booklist[A]n energetic gambol, feisty and terrific fun. . . . [A] fast-paced, heady romp that ranks with her best. . . . Wolf Gift is irresistible.Joy Tipping, The Dallas Morning News[I]n Rice's hands, The Wolf Gift evolves from a fantastical romp into an engrossing thriller. . . .Liz Colville, San Francisco ChronicleAnne Rice combines a vast literary gift with a shameless love of sex, beauty and pop culture. Her artistic vision is part Bela Lugosi, part Andy Warhol, part Christina the Astonishing, the medieval holy woman who could famously smell sin.The Wolf Gift will leave open-minded readers howling for more.Aidan Johnson, The Globe and Mail[E]xciting tale of a contemporary werewolf. . . . Rice's classic concerns regarding good and evil and shifting views of reality play out wonderfully in what will surely please fans and newcomers alike.Publishers Weekly[O]ne part Beauty and the Beast love story, one part meditation on morality and immortality, and one part Superman tale. . . . Told in the memorable style that won Rice's vampire series so many readers, The Wolf Gift is an intriguing new take on the classic werewolf legendRice deepens and gives nuance to classic werewolf lore.Diana Pinckley, New Orleans Times-PicayuneRice has never shied away from tackling Big IssuesThe Wolf Gift marks a return to form while still giving a nod to spiritual matters[A] delectable cocktail of old-fashioned lost-race adventure, shape-shifting and suspense.-Elizabeth Hand, The Washington PostAnne Rice is backTirdad Derakhshani, The Philadelphia Inquirer[W]ritten with compelling modernityThe Wolf Gift is a strongand welcome return to the monster mythology that made Anne Rice famous.Rob LeFebvre, Shelf AwarenessWith both thrilling acts of horror and a final act that is deeply based in the mythology of the Wolf Gift and its history --- and bordering on lycanthropic existentialism --- this novel opens readers up to a world they only thought they knewThe characters come alive, and the strange history of the Nideck family will jump off the page and enter the readers' nightmares as Rice has found a new gothic saga to sink her teeth into.Ray Palen, Bookreporter.comPressestimmen""The Wolf Gift" is vintage Anne Rice--a lushly written, gothic...metaphysical tale.
