Von Rebecca Ann Collins : The Women of Pemberley: A Companion Volume to Jane Austen's Pride and Prejudice (Pride and Prejudice Sequel Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Women of Pemberley: A Companion Volume to Jane Austen's Pride and Prejudice (Pride and Prejudice Sequel Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eine PP-Saga als fast-DokumentationVon Kibby HuntVon allen PP-Saga ist diese von Collins die lngste und hat fast den Charakter einer Dokumentation. Das ist vielleicht auch der Grund, warum ich nur 4 und nicht 5 Sterne vergeben habe. Ich mag's gerne etwas schwlstig mit viel Gefhl, und hier ist die Geschichte fr mich manchmal fast zu sachlich, halt eben wie ein Dokumentarbuch. Das ist aber vllig subjektiv und fr viele nicht relevant. Wer gerne ein sehr gepflegtes Englisch liest, Wert auf die historische Richtigkeit legt, der ist mit dieser Version bestens bedient.

KurzbeschreibungThe Women of Pemberley follows the lives of five women, some from the beloved works of Jane Austen, some new from the author's imagination, into a new era of post industrial revolution England, at the start of the Victorian Age. Vast changes are in motion, as they were throughout this dynamic century.The women, like many of Jane Austen's heroines, are strong, intelligent individuals, and the depth and variety of the original characters develop into a series of episodes linked together by their relationship to each other and to Pemberley, which is the heart of their community.The central themes of love, friendship, marriage, and a sense of social obligation remain as do the great political and social issues of the age."The stories are so well told one would enjoy them even if they were not sequels to any other novel."-Book News"Yet another wonderful work by Ms. Collins."-Beverly Wong, author of Pride Prejudice PrudenceKurzbeschreibungThe Women of Pemberley follows the lives of five women, some from the beloved works of Jane Austen, some new from the author's imagination, into a new era of post industrial revolution England, at the start of the Victorian Age.
