**Von Roald Dahl : The Wonderful Story of Henry Sugar and Six More** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wonderful Story of Henry Sugar and Six More:

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich.  
Entrancing but disturbingVon Ein KundeI read this book as a child and loved it. However, it was hard to tell reality from fiction and I didn't know whether to believe Henry Sugar's powers really existed. In particular, "The Swan" is a VERY disturbing story without the usual comedy found in Roald Dahl's works. I recommend reading this yourself

before sharing it with your children. I loved everything else he wrote, but this was frankly disturbing. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great short stories by a master fantasist Von Ein Kunde They're all wonderful, all haunting, and all worth reading, at any age. I, like a previous reviewer, read the book around age ten, but my experience was just the opposite: my world view broadened, and I gained new understanding of and appreciation for humanity. It fed my sense of wonder, and stoked my belief in the magic of everyday life. Dahl's talent for showing our penchant for brutality juxtaposed with our potential for nobility is, in my view, almost unmatched. This is a book for every young person growing up in an cold and uncertain world. There is a true love for the human condition here, and in many of his other works. Do yourself a favor and get it. The imagery is still with me, more than two decades later, just as clear and vivid as when I first encountered it. 2 von 2 Kunden fanden die folgende Rezension hilfreich. Ein nettes Buch Von Ein Kunde Ich hatte dieses Buch bekommen um meine englischkenntnisse ein wenig zu verbessern. Ich hatte die sieben Geschichten recht schnell durchgelesen und fand sie wirklich schn, obwohl ich eigentlich keine Kurzgeschichten mag, sie sind mir einfach zu kurz :-)

Kurzbeschreibung In The Wonderful Story of Henry Sugar, seven tales of the bizarre and unexpected are told by the grand master of the short story, Roald Dahl. Enter a brilliant, sinister and wholly unpredictable world. Here you will find the suggestion of other-worldly goings on in a dark story about a swan and a boy; the surprising tale of a wealthy young wastrel who suddenly develops a remarkable new ability; and meet the hitchhiker whose light-fingers save the day. 'An unforgettable read, don't miss it' Sunday Times Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today. Pressestimmen "Few modern writers have attracted such an appreciative audience among adults and children as Dahl. . . . All the tales are entrancing inventions." Publishers
