**Von Reginald Hill : The Wood Beyond (Dalziel Pascoe, Book 14)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Wood Beyond (Dalziel Pascoe, Book 14):

Kundenrezensionen Hilfreichste Kundenrezensionen 4 von 5 Kunden fanden die folgende Rezension hilfreich. Love and War and Peace and a great murder mystery! Von Ein Kunde Hill's police officers are a complicated and entertaining bunch, whose business it is to ask questions. In "The Wood Beyond" they have to think seriously about how many questions to ask. Everyone has skeletons of one sort or another, Pascoe, his relatives, his wife Ellie, DS

Dalziel, Sergeant Wield, their chance acquaintances, their lovers, their adversaries, and their government. Professionally, the police are after the truth come what may. Personally, they know the consequences could be uncomfortable. And their professional and personal lives are firmly knotted together, both in the present and in the past. Reginald Hill writes about weighty issues while pursuing more than one intriguing murder mystery. His language follows the characters and the mood, from bawdy to poetic. Above all, beyond the history, philosophy and politics, this is a story about people who live, love and work the best way they know how, and manage to laugh along the way. Japrisot's "A Very Long Engagemen4 von 5 Kunden fanden die folgende Rezension hilfreich. ExcellentVon H. Romney WhitneyHill combines great plots with even better characters. I particularly like his books because they make me pay attention-skimming over a paragraph can be a fatal error.0 von 1 Kunden fanden die folgende Rezension hilfreich. The Wood beyond is fabulous!Von Ein KundeThe Wood Byeond by Reginald Hill is exciting and intriguing. Hill goes into detail in revealing the deep personalities of Dalziel and Pascoe. Pascoe is researching his family and what he finds is disturbing and yet fascinating. Hill also takes a chance to introduce, in a character perspective, Sargent Wield, the man that works with Dalziel and Pascoe. Humor is also at it's best, with Pascoe's wife telling him not to "get his Y-Fronts in a twist. And of course there can't be a Dalziel/Pascoe mystery without Dalziel being referred to as the Fat Man.

ProduktbeschreibungHills wit is the constant, ironic foil to his vision, and to call this a mere crime novel is to say Everest is a nice little hill Frances Hegarty, Mail on SundayWhen animal-rights activists uncover a long-dead uniformed body in the grounds of Wanwood House, a research facility, Dalziel is presented with a seemingly insoluble mystery. And he is further perplexed when he's attracted to one of the campaigners now implicated in a murderous assault.Meanwhile, the death of his grandmother has led Peter Pascoe to the battlefields of World War 1 and the enigma of who his grandfather was and why he had to die.
