Ich dachte eigentlich nach Jonah Noble knnte mir nichts Besseres passieren. Falsch gedacht! Jericho James steht ihm in nichts nach. ber eine Late-Night-Radio-Show fasziniert er jede

Nacht eine immer grer werdende Anzahl von Frauen. Sein "Sub-Club" soll eine Einsicht in die Welt einer Sub geben und beschert dem Sender unerhrte Einschaltquoten. Auch seine Assistentin begeistert sich zunehmend dafr, genau wie eine mysterise Hrerin. Jason Luke beeindruckt wieder einmal mit einer erotischen und dennoch, oder vielleicht gerade deswegen, sensiblen und einfhlsamen Schreibweise. Ich finde seinen Stil unverwechselbar! Beim Lesen berkam mich der Wunsch das Radio einzuschalten! ;-) Ich liebe dieses Buch genau wie seine Vorgnger und ganz sicher auch seine Nachfolger. 0 von 0 Kunden fanden die folgende Rezension hilfreich. No Romance Von reader It was an interesting if slightly confusing story. I enjoyed the writing style and being inside the mind of Jericho although I never really got a sense of Jericho, or Nancy, or April. The character of April would have been much more believable if she had stated she was bisexual instead of lesbian. And what happened with Cecilia and Cindy? I would have loved to know more about Cecily. Her character seemed random, but left me wondering about her. The characters didn't really come alive some were almost caricatures, e.g. Nancy, a hiding-in-the-closet sub turning into a pain-and-humiliation-seeking sub, and lesbian April who 'converts'. I thought the radio scenes were very sensual at times making the readers be able to feel and visualize Jerichos words. But the plot drifted at times and the ending was not with a cliffhanger but non the less very abrupt.
