Von Jackie Collins : The World Is Full of Married Men (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The World Is Full of Married Men (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. It's exactly what you'd expect.Von Matthew McWilliamsJackie Collins, who I assume still holds the throne as the "Queen of Trash" wrote this, her first novel in 1968 when it was considered outrageous and subsequently banned in Australia. She wanted to expose the marital double standards of men and show the superficiality, use, and abuse abundant in the lives of all the characters "relationships". The TV/advertising world is used here. The novel has a very "Valley Of The

Dolls" feel to it. I can certainly understand the appeal of the jet-setting folk in Collins' novels but their lack of decency and scruples is ultimately depressing. Jackie says her books have a strong moral tone to them and I suppose this is true when the major users/abusers ultimately become bereft of partners, money or power. This book should appeal to bitter ex-wives, but Jackie tends too often to make men the villains and women their victims who ultimately overpower them to what one must assume is vigorous applause from her feminist readers. 1 von 1 Kunden fanden die folgende Rezension hilfreich. 5 stars of stunning smut! Von Ein Kunde Jackie Collins, how can she make so much money by writing such trashy novels that we cannot stop reading (only to mock it)? This was the first Jackie Collins book I'd read, and I was positively roaring when I read it. Chalk full of cheap love affairs and sleazy characters, it'll make you want to meet Jackie Collins if only to ask her, "What the hell were you thinking." 0 von 1 Kunden fanden die folgende Rezension hilfreich. Roman fr "Bunte"-Leser Von Hans-Juergen Walther Selbst wer sich fr Klamotten interessiert, wird nach der 85. Wiederholung des Outfits einer der Figuren und die eigenartige schematische und klischeehafte Beschreibung des Krpers abschalten. Wre es ein Film, wre es ein B-Movie. Dass die Autorin ihre Frauenfiguren in Interviews als stark, unabhngig und aktiv darstellt muss wohl ein Missverstndnis sein. Die Zielgruppe scheint wohl jene Spezies von Leserinnen zu sein, die beim Lesen die Lippen mitbewegen, vielleicht auch noch die Finger unter die Zeilen setzen.

Kurzbeschreibung Only fools let a little thing like marriage get in the way of their careers... Especially someone else's. David Cooper cheats on his wife. She doesn't cheat and that suits him fine. Until the young and beautiful Claudia appears and David wants out of his marriage. But Claudia has different ideas different dreams: To be a model, an actress, a star. And she'll do anything to make it. Just name a price The World Is Full of Married Men is a devastating exposure of the cut throat media business the phony promises and the very real power of the casting couch.
