Von Manel Loureiro : The Wrath of the Just (Apocalypse Z Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Wrath of the Just (Apocalypse Z Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Good ending..Von CHRIS L.I thoroughly enjoyed reading this book and the two before. Felt it was written by someone who was not an expert but it felt great, nail biting. Wish there were more books in this series. Definitely recommended.1

von 1 Kunden fanden die folgende Rezension hilfreich. Pretty good, but not quite as good as the other two books

Book Three was a good read and quite realistic in part -- the strong (and the crazy) will always attempt to dominate others. It is human nature.

Ich mag Zombie - Filme nicht aber ich kam zufllig auf die Serie (Kindle- Leseprobe) und war dann dem Buch verfallen . So wie es mit guten Bcher sein soll, man kann nicht aufhren zu lesen. Warum - dass muss jeder fr sich entscheiden - fr mich war es die Story, das Endzeit Szenario, etc....ich schlage vor: starte mit Leseprobe und dann ist alles klar!

Kurzbeschreibung
From apocalypse...An act of terrorism unleashed an unspeakable biological weapon...and hell on earth. But as the masses felled by a hideous virus rose from the dead to prey on the living, a small band of survivors defied death and its ghastly spawn determined to outrun the worlds end and somehow begin again.
To Armageddon...But beyond the undead-besieged shores of Europe lies something closer to damnation than salvation. Rescued from certain death at sea, a young Spanish lawyer, the beautiful woman he loves, and his brash, battle-hardened best friend who have weathered the worst of the unnatural disaster think theyre escaping to freedom but are delivered into a stronghold of hate. In a United States ravaged by a zombie plague and overrun by the undead, only Gulfport, Mississippi, offers sanctuary...for a price: subservience to a fascist dictator and his brutal enforcers. But their reign of terror will soon be challenged by rebels hungry for vengeance and invaders bent on conquest.
