In almost EVERY chapter it leaves you hanging, and the bad part is I read this in school and we were only allowed to read ONE chapter a day!! So, I was really glad when 5 period came around. Deena, Jade, and Chuck are the normal everyday teenagers. Then one day they started to make prank phone calls (Not wise). One night Chuck decided to prove he's not scared of Fear Street and dials a number on Fear Street. "Ahhh help!", yells a womans voice. "Hello, HELLO! Is anyone there?", Chuck answers!!!!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Great book Von Wagner Frank I think this is a great book because of its adventures and it has many feeling in it. which I think is great. this book is for people that enjoy reading horror stories or movies as well. it is interesting for english readers as well for intermediate english speakers. I guess they understand the book as well. the book is better if you have a kindle that is what I suggest. have fun reading it and enjoy it but one more tip read it at daytime other wise it will be to scary well for me it was!! :) ;)0 von 0 Kunden fanden die folgende Rezension hilfreich.
