KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A well-written fantasy novel! Von Ein KundeOne of the strongpoints of this series has been the unpredictability of the books - in this novel, the shift of focus changes quite suddenly from Alias to the young nobleman. I won't comment on particular plot points so as not to ruin it, but the surprises are what kept me turning the pages. Novak's writing skill is sufficient to draw me in to the Forgotten Realms, making the characters real and the locations almost palpable.
