young Carthaginian and one of the best generals of all time: Hannibal. I loved this book it got me going on all the other Henty books. It is amazing to see how great of a general he is. It told me all kinds of stuff about him defeating the Romans in many battles when he was outnumbered 2 to 1.0 von 0 Kunden fanden die folgende Rezension hilfreich. my favorite book Von Ein Kunde it is a great book that goes into detail about all of the obstacles Hannibal had to go through while crossing the Alps and fighting Rome Hannibal
