Von Zane Grey : The Zane Grey Megapack before purchasing it in order to gage whether or not it would be worth my time, and all praised The Zane Grey Megapack:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. The Zane Grey MegapackVon R Range Cloyd JrA super read for all fans of Zane Grey. I had collected his books as a 10-year-old especially because my father loved Zane Grey and was really happy to find so many of his works in this megapack. The megapacks are great and the price is absolutly wonderful for those of us who haven't got all that much to spend on reading material.Range Cloyd
