Setting out to save the Isles from darknessVon BelThis had been on my tbl list for more than six months now. I finally started listening to it, and I'm glad I did. I'm a fantasy buff, and it never ceases to amaze me that with each fantasy book I read or listen to, there are always new ideas.Well, OK, so the subject is nothing new: bad versus evil, but then you can't

reinvent the wheel. The world building is nice, though, and the magic and how it is used is yet different from all I've read before. Then there are the characters. A handful of people who set out to save their world. I love Lucky the most, the alchemist mage, with his joyful nature, his amazing skills, his appreciation of good meals, and his never ending optimism. The enemy, Phane, is driven, and I wonder whether he'll be saved, or just defeated. I have six more books to find out. The narrator, Derek Perkins, is doing a great job, and it is a joy to listen.

Von kamikazewurmzuerst schien mir die Geschichte verglichen mit wunderbarer Fantasy wie Song of Ice and Fire, Kingkiller Chronicles, Wheel of Time etc. sehr flach, sehr vorhersehbar... Zu einfach, wie Alexander von einer ausgewegenen Situation in die nächste schlittert und die dann alle auch noch meistert. Da ich mir gleich drei Bände für meinen Kindle gekauft hatte, beschloss ich, die Investition aus Prinzip "auszulesen" und bin nun schon fast durch mit Linkershim, Book 6. Lässt man die Vergleiche mit bereits bestehenden, großen Serien endlich hinter sich und akzeptiert schlicht, dass der Magie in dieser Serie absolut keine Grenzen der Macht aufgezeigt werden, so gewinnt man die Akteure lieb, genießt Drehungen und Wendungen der Story und möchte dann auch wissen, wie die Geschichte ausgeht. Nicht mit der Komplexität der oben genannten Serien zu vergleichen, aber doch kurzweilige Berberckungsunterhaltung während des Wartens auf die Fortsetzungen anderer Serien... 1 von 1 Kunden fanden die folgende Rezension hilfreich. Good book Von Grumpy Very good read during my daily train rides. I liked the book very much and have bought also the other books of the series. I can recommend the first four books without hesitation, book 5 is weaker though.

Kurzbeschreibung When second son Alexander Valentine loses his brother to an assassin's arrow, he discovers that his family protects an ancient secret and reluctantly finds himself at the center of the final battle of a war that was supposed to have ended two thousand years ago. Pursued by the dark minions of an ancient enemy, Alexander flees to the mountain city of Glen Morillian where he discovers that he is the heir to the throne of Ruatha, one of the Seven Isles, but before he can claim the throne he must recover the ancient Thinblade. Seven were forged by the first Sovereign of the Seven Isles and bound to the bloodline of each of the seven Island Kings in exchange for their loyalty to the Old Law. Each sword is as long as a man's arm, as wide as a man's thumb and so thin it can't be seen when viewed from the edge. Thinblade is the epic fantasy adventure story of Alexander's quest to find the ancient sword, claim the throne of Ruatha and raise an army to stand against the enemy that has awoken to claim dominion over all of the Seven Isles.
