chaos ;-)  
Von emmasehr lustiges buch ber ein problem, so alt wie die welt: die junge dame wird von ihren "freundinnen" geplagt, weil sie keinen freund hat und erfindet einen. vorname von dem einen plakart an der wand, nachname von einem anderen, noch ein paar stereotype draufgepackt, und sie denkt, sie hat ihre ruhe. falsch gedacht. so eine person existiert, und im zeitalter der sozialen medien versucht ihre freundin, etwas ber den typen zu erfahren.was folgt, ist eher ein amerikanisches problem: ihr name knnte auch mnlich sein. also wird es turbulent...ich bin mit twitter und co. nicht vertraut, von daher musste ich mich erst einlesen, aber dann hatte ich sehr viel spa.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sweet, funny and romantic love storyVon Anna KI really really liked the story and loved how forward and open Grey was and how sweet and kind of shy Cal was. I loved them together! Their chats, emails and conversations were really funny to read and I loved reading about them.It's really a great book!0 von 0 Kunden fanden die folgende Rezension hilfreich. Such a fun readVon Jen RI must say I was hesitant to start reading this book. I didn't think it would be for me. The synopsis just seems so...not like something I would enjoy.Color me surprised when I loved this story! It was sooo cute!! I really loved it right from the get go. It is a quick read, but even if it wasn't I couldn't put it down. My husband was bugging me about something and this was one where I just waved him off with a "reading" and nothing more. I couldn't be bothered to put it down as it was so much fun!! Greg and Calvin were so cute together!So what is this all about? Well Grey's sorority sisters keep hassling her to name who she is bringing to their big soire they are having (that Grey is planning) so she makes up a lie. She comes up with a name - Cal Thompson - based on things she sees around her. She starts tweeting to a fake Cal Thompson and thinks no harm done. Only there is a real Cal Thompson, roommate to one of her sorority sisters cousins, and said cousin brings up the fact that some guy, Grey, is tweeting about him. Maybe stalking him! So Cal makes the hour drive to go confront this guy...and finds Grey. A girl.From there it was so so cute! They start emailing back and forth, texting each other and they start falling for each other. Cal is a rugby player and is always a bit beat up, but Grey doesn't mind. Nobody has ever thought he was super good looking before, but Grey does. She thinks he is super sexy and hot and wonderful. It was so cute watching them flirt with each other and figure this out. That last chapter from Calvin's sisters point of view? Amazing!! Man they were adorable. A super cute, fun, quick read.\*Note: I received a free copy of this book for voluntary review considerationThis review was originally posted to Jen in Bookland
