THINGS REMEMBEREDVon Sarah LangfordI picked up this book thinking 'Okay, it's sounds pretty interesting' and to my surprise it was not only interesting, it was tremendously addicting! I didn't want to put the book down. Any free time I had from the kids and work I had my face was buried in the book. It's a great book, it's one that I'll keep for my

kids and one that I'll send to my sisters. The characters are wonderful and very realistic. One that'll touch your heart. Pick one up, I'm sure you won't be disappointed.0 von 0 Kunden fanden die folgende Rezension hilfreich.
