Och neeeeeeeVon ImladrisIch lese sonst gerne Sheila O'Flanagan, aber dieses Buch ist weder 'touching' noch 'thought-provoking', sondern einfach nur langweilig. Die stndige Wiederholung, dass die Protagonistin dies doch verdient htte... Wieso, warum, weshalb hat sie das verdient??? Und die Entscheidung der Protagonistin am Ende ist absolut nicht

nachvollziehbar. Und irgendwie auch rgerlich, weil man selber, seien wir ehrlich, anders gehandelt htte. Schon alleine deshalb, um den undankbaren Kerlen einen Spiegel vorzuhalten. So kommen sie mit ihrem absolut indiskutablen Verhalten durch. Aber das Tpfelchen auf dem i ist dann die Auktion. Och nee, das ist jetzt echt too much...0 von 0 Kunden fanden die folgende Rezension hilfreich. Things we never Dax by Sheila O'FlanaganVon Ingelore MllerA great new novel by this famous Irish bestseller author.I liked this book about love, caring, Monde and forgiveness very much... to recommend!

KurzbeschreibungSheila O'Flanagan's unputdownable bestseller THINGS WE NEVER SAY is a must-read for fans of Marian Keyes and Veronica Henry. The things we never say:A daughter doesn't say how she feels about the past...A husband is afraid to say that selling the house his wife loves is the only option...A woman hasn't said that even though they live thousands of miles apart, this man is always on her mind...If those things were said, the results could be life-changing. As Abbey - and a whole family she knew nothing of - are about to find out in this warm-hearted, thought-provoking and touching novel.PressestimmenA really enjoyable 'will they, won't they?' story that will keep you guessing right up until the end \*\*\*\* (Heat)Things We Never Say is up there with the best... [It] cleverly throws twists and turns into the mix as the story unfolds and gives you a lot to think about...it's not fluffy and pink, it's thought-provoking, well-written and thoroughly enjoyable (Sun on Sunday)The perfect summer distraction... A great book for any chick-lit fan (Essentials Magazine)[The] dizzying series of twists and turns will keep you reading until the very end... In the hands of this gifted storyteller, the strands of a complex genealogy are woven seamlessly to make a compelling whole (Irish Independent)WerbetextSheila O'Flanagan, bestselling author of ALL FOR YOU and BETTER TOGETHER, tells a fabulous story of a family's world turned upside-down when old secrets come to light
