**Von Yukio Mishima : Thirst for Love (Vintage Classics)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Thirst for Love (Vintage Classics):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. .Von 777Mishima is a fascinating and intoxicating author to me, but I felt a little disappointed with Thirst for Love after having read the Sailor Who Fell From Grace With the Sea. It seems less focused somehow; I found certain segments a bit dull and the end somewhat dissatisfying (not just because it wasn't "happy.") But, those are just the cons -- I still

think this is quite a book. Etsuko's psychology is fascinating, and there are some great moments. Quality, unconventional stuff.0 von 0 Kunden fanden die folgende Rezension hilfreich. Haunting is a good description...Von Ein KundeThe intensity of the jealousies and frustrations simmering under the surface of this superficially simple story explodes in the last few pages in a way which is surprising and shocking enough to linger in the memory.0 von 0 Kunden fanden die folgende Rezension hilfreich. Restrained eleganceVon Ein KundeOne of Mishima's more restrained works, "Thirst for Love" has a quiet elegance. As we follow the narrator down her lonely and doomed path, it is clear that we are in the hands of a skilled storyteller.

KurzbeschreibungAfter the early death of her philandering husband, Etsuko moves into her father-in-law's house, where she numbly submits to the old man's advances. But soon she finds herself in love with the young servant Saburo. Tormented by his indifference, yet invigorated by her desire, she makes her move, with catastrophic consequences.Pressestimmen"Japan's foremost man of letters" (Spectator)"Thirst for Love contains all of the elements that make Mishima a compelling, disturbing writer" (Columbus Dispatch)Werbetext'One of the outstanding writers of the world' New York Times
