unterhaltsame KostVon HelenaMich hat vor allem der Schreibstil der Autorin bei Laune gehalten, der wirklich sehr britisch und immer wieder sehr witzig ist...weniger eine packende Geschichte. Auch wenn die Geschichte s und nett ist, so baut sie sich doch eher um das Romeo und Julia Prinzip auf: Mnnlein und Weiblein verpassen sich stndig durch wilde Missverstndnisse. Kann auch nerven nach gewisser Zeit. Trotzdem: Fr einen schnellen, leichten und unkomplizierten Lesespa durchaus empfehlenswert.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ganz okayVon noturnaEin bichen im Stil von "Zwei an einem Tag" - ziemlich vorhersehbar, aber trotzdem gut zu lesen. Fr den Urlaub geeignet.

KurzbeschreibungThis is a love story. Boy meets girl and girl falls for boy - that much is true. But when Sienna meets Nick it's not the way it happens in love stories. It's because of a squirrel on water skis... She sees Nick's dangerous brown eyes and thinks, Don't. Fall. Into. Them. Who will be there to catch Siena when she falls? She is so fragile. She has so many secrets, and he is not that serious. Funny and sad, this is the story of two people destined never to come together in the great love affair they crave more than anything else.Pressestimmen'This book was so beautiful. What an adorable and emotional story and an incredibly debut novel from Jessica Thompson who is surely an author to look out for... Jessica writes from the heart, and the characters were perfectly formed. So hard to believe that this delightfully compelling book that had me spellbound from the very start, wasn't penned by an author who'd been writing for years. I'm sure that given the reading enjoyment that this book gave me, Jessica Thompson will be a well-established author that we'll be seeing for many years to come.' \* Kim the bookworm blog \* 'It is very One Day-esque. Endearing dual narrative and a lovely flow... highly recommended.' \* the Bookseller \* 'Reminiscent of One Day, this moving, quirky love story is sob-inducingly romantic.' 4\* \* Closer \* 'Thompson's first novel is a triumph... What I really enjoyed was the way Thompson conveys the whole world of young, single London, the clothes, the music, the furnishings and the central, abiding love of the great city itself, full of excitement and potential. Infectious.' \* Daily Mail \*KurzbeschreibungThis is a love story. Boy meets girl and girl falls for boy - that much is true. But when Sienna meets Nick it's not the way it happens in love stories.
