Fantastic Read! Von Ein Kunde In "This Is All I Ask," Lynn Kurland has succeeded at what I feel is the most difficult type of romance to write--the kind driven by character, not by plot, where conflict is caused by personality clash that can only be resolved by personal growth and self-awareness. In this novel, the hero, the heroine, and their friends are not cardboard cut-outs but actual people taking up residence in your imagination for the space of the story. They have strengths, and they have weaknesses, and how they overcome those weaknesses, and find true strength in uniting against evil, will keep you riveted to the end. A beautiful love story, a tense battle between good and evil, and characters worth getting to know--this book has it all. I also enjoyed the gentle humor of this book, based upon the characters' foibles and small vanities rather than on some sort of sitcom joke. 4 von 4 Kunden fanden die folgende Rezension hilfreich. A moving romantic fantasy in medieval England Von Catherine Asaro Lynn Kurland's novel, This Is All I Ask, is one of those rare stories that will stay with me for years to come. It tells the poignant tale of an achingly lonely young woman and an emotionally ravaged warrior in thirteenth century England, two people whose heartbreaking lives are all the more touching because of their courage, vulnerability, and strength. It's been a long time since I've been as moved by two characters as I was by Gillian and Christopher. The setting is wild and majestic, a forbidding castle high above the sea near Scotland. The love scenes are tasteful and never resort to the purple prose that can so often ruin an otherwise good story. The touches of sweetly gentle humor further enhance the tale, another sign of Kurland's gifts as a storyteller. This is a book well worth the read, for romance and fantasy lovers alike. 2 von 2 Kunden fanden die folgende Rezension hilfreich. I will never forget this story... Von Steffi A. With "This is all I ask" Lynn Kurland succeeded in writing a book I will never forget and that I would recommend to everyone who is interested in medieval historical romances. It is a wonderful fairy-tale with a hero who is not quite what you think, a heroine who seems to be human - simply because she is NOT perfect - a lot of well-known characters from other Kurland books and three charming, nice witches who are indispensable because a real fairy-tale simply needs witches :-)! I already read a lot of books by Lynn Kurland and even though I liked most of them I found it kind of refreshing that this book is not about time travelling and in my opinion, this is so far her best book!

Kurzbeschreibung From Lynn Kurland, the New York Times bestselling author of the Nine Kingdom series. Set near the Scottish border at a rugged castle on the edge of the sea, this is the story of a courageous lord who lost everything he held dear. Of a strong young woman willing to sacrifice everything for happiness. Two lost souls who find in each other a reason to live again, to laugh again, and to love for the first time.... de This medieval historical romance doesn't offer any of the paranormal elements found in Lynn Kurland's first two books, Stardust of Yesterday, and Dance Through Time, yet Kurland's fans will not be disappointed by this sensitive and moving romance. Gillian of Warwick knows no other treatment than the terrible physical and mental abuse issued by her father. When he arranges a match for Gillian with Christopher of Blackmour, she is fearful: Blackmour is rumored to be an evil sorcerer. When Gillian meets him, he proves to be far more of a man than her father is, yet he is unwilling to be a lover to Gillian. She finds that Blackmour has as many psychological scars to heal as she has physical scars. Pressestimmen PRAISE FOR NEW YORK TIMES BESTSELLING AUTHOR LYNN KURLAND Both powerful and sensitive a wonderfully rich and rewarding book. #1 New York Times bestselling author Susan Wiggs Stepping into one of Lynn Kurland's novels is definitely one magic moment in itself. All About Romance Clearly one of romances finest writers. The Oakland Press A sweet, tenderhearted time travel romance. Joyfully ed[A] triumphant romance. Fresh Fiction Breathtaking in its magnificent scope. Night Owl Romance
