Oh dear Von Kindle Customer Really bad...really, really. I didn't even finish the second half, just flicked through it...and it had so much potential!! Worst bit? When he tried to give her a "prom"...yep really bad.

Kurzbeschreibung First, I had to remember how to breathe. Then, I had to learn how to survive. Two years, three months and sixteen days had passed since I was the Rowe Stanton from before, since tragedy stole my youth and my heart went along with it. When I left for college, I put a thousand miles between my future and my past. I made a choice I was going to cross back to the other side, to live with the living. I just didn't know how. And then I met Nate Preeter. An All-American baseball player, Nate wasn't supposed to notice a ghost-of-a-girl like me. But he did. He shouldn't want to know my name. But he did. And when he learned my secret and saw the scars it left behind, he was supposed to run. But he didn't. My heart was dead, and I was never supposed to belong to anyone. But Nate Preeter had me feeling, and he made me want to be his. He showed me everything I was missing. And then he showed me how to fall. *This is a standalone in a three-part series that will focus on different characters. Each book can be read on its own.
