komische MischungVon Fuchs JoanIch werde aus dieser Reihe nicht ganz schlau, eigentlich sind das nette Charaktere,

schn komplexe Fille, aber irgendwie geht sie mit dem Cosy-Faktor einfach etwas zu weit. Vielleicht war es ein Filler, aber wie Mac Shannon dazu gebracht hat, wie ein Autor zu denken, um den Fall zu lesen, noch mir einfach zu sehr nach Rezept, wie man so ein Buch schreibt und hat mich einfach etwas gestört. Sonst aber eigentlich eine gute Geschichte mit vielen Wendungen und falschen Fährten. 4.3 Sterne.

Kurzbeschreibung Don't miss Framed For Murder, a Hallmark Movies Mystery Original starring Jewel, based on This Old Homicide the second novel in the New York Times bestselling Fixer-Upper Mystery series! Valentines Day is approaching, and while contractor Shannon Hammer is delighted to be friends with not one but two handsome men, not everyone in Lighthouse Cove, California, is feeling the love. After her elderly neighbor Jesse Hennessey fails to make his daily appearance at the local diner, Shannon swings by his place to check on him. Not only does she find Jesse dead of an apparent heart attack but she also realizes that his home has been ransacked. Someone suggests that a thief was searching for a priceless necklace Jesse claimed to have retrieved from a capsized sailing ship, but Shannon doesn't believe it. Everyone knows Jesse had a penchant for constructing tall tales like the one about him having a hot new girlfriend. But his death is soon ruled a homicide, and shady suspects begin popping out of the woodwork. When another victim turns up dead, Shannon is convinced she must find the killer before someone else gets nailed...  
Pressestimmen Praise for Kate Carlisle and the Fixer-Upper Mysteries Sleuth Shannon Hammer knows her way around a building site and a murder I fell for this feisty, take-charge heroine, and readers will, too. Leslie Meier, New York Times bestselling author of the Lucy Stone Mysteries Clever wit and complex plotting...immensely satisfying. Jenn McKinlay, New York Times bestselling author of the Library Lovers Mysteries Perfect escapist cozy fare. Library Journal Another winner from one of the leaders in the genre! RT Book s Highly entertaining...quick, clever, and somewhat edgy.... Shannons not a stereotype she's a person, and an interesting, intelligent, likable one at that, which makes it easy to become invested in her tale.
