A story of life, love and death, with hot sexVon MagritteThis regret is the story of life, love and death.Phoenix has lost her brother 8 years ago. I wasnt an accident and this is what makes it even more difficult to accept. When Adric died Kellan, his best friend disappeared as well and this is what made everything more difficult for Phoenix because Kellan

was also her best friend and a boy she was in love with. Kade has lost his brother as well that night. He is Kellan's small brother and is trying to live his life. Kade has decided to show Phoenix that he desires her, and this is when they discover that Kellan has returned. This sets Phoenix's world upside down. Kellan is hot, burning hot and uncontrollable. He is sweet and strong. He is the kind of fictional boyfriend you want and Phoenix is a great fictional girlfriend. The characters are nicely described, but somehow communication is lacking and I really didn't understand why they did not talk. Other than to make the story last longer. And that was in my opinion the weak point of this book; some parts were just too long due to a lack of communication. The sex scenes are numerous and burning hot. Enjoy the read MBTM0 von 0 Kunden fanden die folgende Rezension hilfreich. Manchmal ein bisschen viel Von Wuukie Eine schne Liebesgeschichte, die vor allem den Selbstmord von Phoenix Bruder in den Vordergrund stellt. Damit verbunden verschwindet sein bester Freund und ihre heimliche Liebe. Er kehrt nach vielen Jahren zurück..... Die Geschichte hat mir schon ein Tränen in die Augen gezaubert. Manchmal war es mir ein bisschen zu sentimental. Aber für den Preis auf jeden Fall empfehlenswert. 0 von 0 Kunden fanden die folgende Rezension hilfreich. This Book is amazing Von Denise Grzinger I loved every second reading this Book. Its a book you cant put away and get enough from. you will read as fast as you can to know the whole story of Kellan and Phoenix. Just amazing.

Kurzbeschreibung Eight years Thats how long its been since my brothers been gone and not a day goes by that it doesnt kill me, knowing that Ill never see Adric again. Its been a rough journey, one Ive barely survived, but with the help of my childhood friend Kade Haze, Im finally learning to piece what remains back together. Or so I thought Just when life is beginning to make sense again and a feeling of normalcy is on the horizon, my carefully constructed walls come crashing down, making it hard to breathe once again. When walking into the tattoo shop one day, the last thing Im expecting to see is Kellan Haze, Adrics best friend who no one has seen or heard from since the day they found my brothers body. Hes nothing like I remember him as a child, with his wild messy hair, tattoos that cover most of his undeniably sexy body and eyes so intense they make my legs quiver with one look. The one thing even I cant deny is the instant rush I feel just by being in his presence. But how can I choose between love and lust when one of these holds a dark secret, one that can crush my world to pieces and leave me gasping for air. Who can I trust when my mind is pulling me in two different directions and my heart has to choose for me? The Haze brothers are sexy, daring and possibly . . . dangerous. This Regret is a story of love, lust, betrayal and danger with an ending no one will see coming.
