Ein neuer jibtabVon AmyEin neues Monster ist unterwegs, noch gefhrlicher, tdlicher und schwerer zu beseitigen als das erste.Die SciFi-Elemente sind diesmal etwas grer.Ich empfehle, die Teile der Reihe nach zu lesen. Wer aufgeschlossen ist fr Mischungen aus Abenteuer, SciFi und Fantasy findet hier einen interessanten Roman.

KurzbeschreibungDelia never thought her love of adventure and artifact hunting would lead her to discover such oddities as man-slaying monsters, magical swords, and elves on motorcycles. Oh, and theres also the Ancient Spartan warrior whos been stranded in the presenthes offering to work as her bodyguard in exchange for English lessons. Shes barely wrapped her mind around these strange new developments when another monster arrives, this time in Sedona, Arizona. The tourist town is known for its majestic rock formations, healing vortexes, and ruins left by the Sinagua, a native people who mysteriously disappeared hundreds of years ago. Monsters are a more recent development. This one is leaving death and destruction in its wake, and Delia and her friends are the only ones who know whats going on. Theyre also the only ones with a weapon that can harm the creatureif they can find it. To add to their problems, a centuries-old evil has been reawakened, one that threatens to deliver the people of Sedona to the same fate as the Sinagua. And Delia and her friends along with them.KurzbeschreibungDelia never thought her love of adventure and artifact hunting would lead her to discover such oddities as man-slaying monsters, magical swords, and elves on motorcycles.
