Von Michael G. Manning : Thornbear (Champions of the Dawning Dragons Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Thornbear (Champions of the Dawning Dragons Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. He's done it again!Von wjmsYet again Michael Manning has created a masterpiece. Building on the previous series, the

characters are familiar, but there are also new ones introduced to take up the story. Well written, fast paced and with just the right level of detail. My only criticism is that the book ended, and I cannot wait for the next instalment! Well done to Michael for this latest instalment in the wonderful world he has created.1 von 1 Kunden fanden die folgende Rezension hilfreich. Fast paced and entertainingVon CustomerNothing too unpredictable but still a very captivating read - thank you Mr. Manning.However it can only be so for those who have read the "Doom of Illiniel" series. If you haven't then you should start there.The heroes of this story are the next generation of the personae in the named series. On one hand the author does explore many of the interesting possibilities that present themselves due to this shift, in the other hand there is a little too much predetermination used (every son is just like his father and every girl like her mother). So after the first installment I am yet unsure whether to applaud this shift or whether to despise it. I will certainly read book two and decide after that.0 von 0 Kunden fanden die folgende Rezension hilfreich. Erwartungen erfülltVon D. RothWer die Mageborn Serie mochte, der wird auch an diesem Buch seine Freude haben. Fr mich ist Manning einer der besten Fantasy Autoren, die ich in letzter Zeit gelesen habe und liegt auf meiner persnlichen 'Begeisterungs-Skala' nur knapp hinter Michal J Sullivan und Patric Rothfuss.Wer nach Mageborn noch nicht genug hat, sollte Thornbear unbedingt lesen.

KurzbeschreibungGram lives in the long shadow cast by his father, the late-hero, Dorian Thornbear. Struggling to find his place in a world where politics and wizardry appear to have replaced the need for men of might and main, he must make his own mark. Trapped within the seemingly safe confines of Castle Cameron, Gram faces both love and tragedy. His choices will define not only himself, but serve to remind others of his familys legacy, and the reason only a fool threatens those a Thornbear protects.KurzbeschreibungGram lives in the long shadow cast by his father, the late-hero, Dorian Thornbear.
