Trash.... Von Readme...not sure if the author is really Wilbur Smith. Whoever wrote this got carried away by too much internet consumption and obviously must have stolen some of the scenes at porn-sites (body-fluids covering the face of a teenage-girl and gang-bang-rape). Otherwise onedimensional characters and illogical actions...I'm still marvelling

why the publisher did not stop this.... one star(but only)for , because the company enables the review of its products.2 von 2 Kunden fanden die folgende Rezension hilfreich. nur noch ein Abklatsch der VergangenheitVon Ritter RostZu viel Gewalt, zu wenig Story... leider hat Wilbur Smith (oder sein Ghostwriter) inzwischen die Pfade dessen verlassen, was ihn frher zu einem meiner Lieblingsautoren gemacht hat.1 von 1 Kunden fanden die folgende Rezension hilfreich. Insgesamt ok, aber mehr auch nichtVon Kindle-KundeDas Buch ist teilweise sehr brutal, teilweise sehr spannend und teilweise sehr langweilig (zwischen ca. 50% und ca. 68%). Wenn man den langweiligen Teil, der sich manchmal liest wie ein Kitsch-Liebesroman, nur berfliegt oder gleich berspringt, ist das Buch ein angenehmer Zeitvertreib. Fr einen Preis von 99 Cent ist es ok, htte ich mehr bezahlt, wrde ich mich rgern. Fr mich ist das Buch jedenfalls kein Anlass, weitere Bcher des Autors zu kaufen oder das Buch anderen Lesern zu empfehlen.

KurzbeschreibungThose in Peril is the first in the gripping Hector Cross Novels, from Wilbur Smith, the author of When the Lion Feeds.Hazel Bannock is the owner of the Bannock Oil Corp, one of the major global oil producers. While cruising in the Indian Ocean, her yacht is hijacked by Somalian pirates and her nineteen year old daughter Cayla kidnapped. Major Hector Cross is an ex-SAS operative and the man behind Cross Bow Security, the company contracted to Bannock Oil to provide all their security. His loyalty to the Bannock family goes beyond the call of duty. The pirates demand a crippling ransom for Cayla's release, and complicated political and diplomatic sensitivities render the major powers incapable of intervening. With growing evidence of the horrific torture to which Cayla is being subjected, Hazel calls on Hector to help her rescue her daughter. Between them, Hazel and Hector are determined to take the law into their own hands.PressestimmenPraise for "Those in Peril""Those in Peril" is the thriller of the year."--"Daily Express" (UK)"Gun-blazing action."--"Daily Telegraph" (UK)"Another outstanding adventure from this popular author."--"The French Paper" (UK)"As with most of Smith's books, this one is a cracker of a read."--"The Citizen" (New Zealand) OUTSTANDING PRAISE FOR THE NOVELS OF WILBUR SMITH ASSEGAI "One thrilling package that will be eagerly devoured by fans."--"Publishers Weekly" "There is a reason Smith is a hugely popular writer of historical novels: his remarkable talent for re-creating historical periods and crafting characters we care about is virtually unmatched in the genre.
