Von Martin Scott : Thraxas and the Warrior Monks (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Thraxas and the Warrior Monks (English Edition):

zweiter Fall fhrt uns zurck in die fantastische Stadt Turai, wo der trinkfeste Privatdetektiv es diesmal mit verschiedenen kriegerischen Mnchen, einem ermordeten Bildhauer und diversen anderen Gegnern zu tun bekommt. Natrlich sind auch Makri, die kmpferische Ex-Gladiatorin und jetzige Barmaid sowie Gurd und andere liebgewordene Nebencharaktere wieder mit von der Partie. Vielleicht nicht ganz so fulminant wie die anderen Bnde, bietet der Roman aber doch witzige Unterhaltung auf hohem Niveau in Millars gewohnt lakonischem Stil.

KurzbeschreibungIn the scorching heat of the Turanian summer, Thraxas is doing his best to avoid working. His plans for a spell of uninterrupted beer drinking go wrong when the Civil Guards arrest a man for murder, right in Thraxas's office. Outraged at this insult to his dignity, Thraxas goes into action. Soon he finds himself in the middle of a deadly war between rival bands of warrior monks. The situation becomes more complicated when a consignment of the King's gold goes missing. To add to his difficulties, Makri decides to shelter to a wanted criminal, which attracts unwanted attention from the city authorities. Worse, Sarin the Merciless is back in town, and the bodies are piling up at an alarming rate. This is a new edition, with an introduction by the author.
