Nette kleine Kurzgeschichte, aber nicht mein GeschmackVon VioUm sein Erbe antreten zu knnen, muss Henry Eldridge vor seinem 30. Geburtstag heiraten. Sein Pech, das dieser bereits in drei Tagen ist. Henry sucht eine

Partnervermittlungsgesellschaft auf, doch die Vermittlerin verfolgt ganz eigene Absichten. So trifft Henry auf Frauen, die oberflächlich betrachtet perfekt zu sein scheinen, kratzt man jedoch den Lack ab, tun sich Abgründe auf. Keine Sorge, die Abgründe sind nicht besonders tief, doch Henry lernt dabei, dass etwa perfekte Schönheit kein Garant für ein perfektes Leben an der Seite einer perfekten Frau ist. Mir hat diese Kurzgeschichte ehrlich gesagt nicht sonderlich gut gefallen. Erstens sind mir die Protagonisten nicht ans Herz gewachsen, zweitens fand ich die Geschichte nicht sonderlich gut geschrieben und drittens wird das Thema von der Blitzhochzeit, die durch ein anzutretendes Erbe ausgelöst wird, langsam alt; ich jedenfalls habe bereits rund ein Dutzend Bücher mit derselben Ausgangssituation gelesen. Wer also nach einer leichten, kurzen Lektüre sucht, in der einem klargemacht wird, dass beispielsweise Attraktivität nicht alles ist, kann hier zugreifen, ich persönlich mochte das Buch aber nicht besonders. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Lots of laughs and a much needed lesson

Von Manfred Schieder This is not just one more short story; this is laughs all over, from beginning to end, showing, should need be, Gen LaGreca's masterful writing, a fact she already established in her serious writings and her work of fiction, "Noble Vision", and, I'm sure, will again be shown in her newest book, "A Dream of Daring", which I'm eager to read immediately after finishing this review. This story, written in high spirit, forcefully states a lesson, a most necessary lesson in today's by intellectuals imposed world of smallness. Hence, it's far more than just a story, but I won't here disclose what the lesson is about. The reader of this review will have to read this captivating story and find it out by himself. It won't take him long to disclose the mystery, but, then, he might decide to read the story again, for the pleasure of several good laughs and the remembrance of the lesson that will stay with him for the rest of his life. In short: a most recommendable read. We all need much more of this kind of highly spirited literature. Well done, Gen.
