a lot of whit as well as romance. As the story jumps from one sibling to the other and then combines them all in one climatic ending you will not be disappointed. This story has it all. I thoroughly enjoyed this book as most all of her books. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Gelungen! Von A. Schnorrenbergermal wieder ein ziemlich gelungener Roman, mit viel Spannung und auch Romantik. Schn war dieses Mal, dass 3 Geschichten gleichzeitig erzählt wurden und sie ineinander verwebt sind. So bleibt auch die Spannung der Beziehungen erhalten. Nicht schlecht. 0 von 1 Kunden fanden die folgende Rezension hilfreich. Wonderful! Von Lady M. Kurzbeschreibung From #1 New York Times bestselling author Nora Roberts comes an unforgettable tale of luck and love in which the fortunes of three siblings depend on a simple twist of fate. When the Lusitania sank, one survivor became a changed man, giving up his life as a petty thief but keeping the small silver statue he lifted, a family heirloom to future generations. Now, nearly a century later, that priceless heirloom, one of a long-separated set of three, has been stolen. Malachi, Gideon, and Rebecca Sullivan are determined to recover their great-great-grandfather's treasure, reunite the Three Fates, and make their fortune. Their quest will take them from their home in Ireland to Helsinki, Prague, and New York where they will meet a brilliant scholar who will aid them in their hunt and an ambitious woman who will stop at nothing to acquire the Fates...
