Am besten im Kindlversion. Kann man berall und immer lesen. Leicht und putzig.1 von 3 Kunden fanden die folgende Rezension hilfreich. ich liebe esVon 3fach mamaschne Liebesgeschichten...vielleicht mag ich es auch einfach nur so gerne, weil es in Detroit spielt und ich dort auch eine Zeitlang gelebt habe. Es ist einfach toll, wenn sie irgendwo hin gehen wo ich vor langer Zeit mal war.

KurzbeschreibungThis digital boxed set includes the first three books of the Three Girls series. Includes Three Girls and a Baby, Three Girls and a Wedding, and Three Girls and a Leading Man. Don't miss the follow-up novels: The Truth About Ever After (A Three Girls Book) and the brand new Three Girls and a New Beginning. THREE GIRLS AND A BABY Ginny McKensie's life is spiraling out of control. Finished with college, she should have been planning her wedding. After all, Ginny and Josh were made for each other everyone said so. Except the love of her life didn't agree. Now Ginny is back in her hometown, unwillingly single, and stuck in a dead-end job. When she discovers she's pregnant, Ginny is convinced her life is ending. Instead of planning a future with Josh, she's learning the truth about morning sickness, juggling bills, and seeing just how far designer jeans can stretch. Her life-plan never included dating again (not even with her too-hot new boss), or being a single mother at 23. Now, with the help of her best friends, Annie and Jen, Ginny must try to re-imagineand rebuild a life she never wanted. THREE GIRLS AND A WEDDING Jen Campbell loves weddings. In fact, she loves them so much that she became an event planner in the hopes that she would one day get the chance to help women create the fairy tale day of their dreams...Unfortunately, the only thing Jen has been allowed to plan so far are boring restaurant openings and children's birthday parties. When Jens big break finally comes, she realizes that wedding planning is a heck of a lot more complicated than picking out the perfect flowers and cake. Add to the chaos a pair of fighting friends, a totally pressuring mother, and a ridiculously gorgeous (but moody) best man, and Jen has her work cut out for her. In Three Girls and a Wedding, Jen Campbell will try to plan the perfect wedding and maybejust maybecreate her very own happily-ever-after. THREE GIRLS AND A LEADING MAN Annie Duncan has never put much stock in true love. Sure, she loves dating, but she gets more than her share of drama working as a struggling actressshe can live without the romantic kind, thank you very much. Instead, Annie focuses her energy on her two best friends, Jen and Ginny. And now that she finally appears to be getting her big break, Annie couldnt be happier with the way things are going. When she meets Nate during a weekend away in Vegas, she figures she'll just have an exhilarating flingeven if he is totally adorable and clearly into her. But when Annie finds herself falling for Nate, she's faced with a choice she never wanted to make. In Three Girls and a Leading Man, Annie Duncan attempts to chase her dreams and keep her heart under control. Her heart, however, may have different ideas!KurzbeschreibungThis digital boxed set includes the first three books of the Three Girls series.
