KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. eine schne kleine erotische GeschichteVon Danaeine schne kleine erotische geschichte, in der ein junges mdchen den reiz von piercings vermittelt bekommt und dann auch selbst erlebt, mit sehr plastischen, authentischen darstellungen des piercingprozesses; das buch macht lust auf mehr, "clitoral rhymes with literal, not immoral"

KurzbeschreibungBecky never planned to do anything naughty. But on a lazy Saturday, one TV show arouses her beyond the point that she can deny her fetish any longer. Though she's only eighteen, an innocent virgin with no experience in even the most ordinary of sex, she harbors a secret desire to get her genitals pierced. Little does she know when she walks into the piercing studio that soon, she'll be so turned on that nothing can stop her from demanding sex from the three handsome piercers at her disposal.Once she lies back on the table completely naked, though, she gets more than she bargained for, crying out for more the whole time. Two staggeringly good orgasms, fifteen hidden piercings, and a long session of triple penetration later, she finally exhausts herself. At least for now...This 4,200-word erotica is part of Layla Lewis's Quickies line of stories, a group of nearly free erotic short stories.KurzbeschreibungBecky never planned to do anything naughty.
