reason anything that gets so thoroughly co-opted into popular culture (as these oft performed plays are) loses all literary value. I highly recommend that anyone who hasn't seen the Kirk Cameron/ Growing Pains production of Our Town already to read these. This collection is a wonderful exposition on the human condition. I was giddy for a week after first reading it. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A wonderful set of plays. Von Veggie Cook I had never heard of Thornton Wilder or his work when I got tickets to see Our Town ten years ago in London. In short, I thought that the play was wonderful and ordered the book - which happened to be the 3 play edition. I thought all three plays were inspired. After Our Town, my next favourite is The Skin of Our Teeth. Our Town will always be my favourite play of Wilder's. It is so moving and I love the era that it is set in. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Three of the ABSOLUTE best plays.....EVER. A must read! Von Renea S. (SilentSunlight@msn.com) Thornton Wilder is a true playwright. Passion pours from his every word. I can't seem to get enough!
