Von Liane Moriarty : Three Wishes before purchasing it in order to gage whether or not it would be worth my time, and all praised Three Wishes:

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Drillinge und ihr Leben Von Ein Kunde In diesem Roman geht es um die Lebensgeschichte dreier Schwestern, die noch dazu Drillinge sind. Allein diese Konstellation hatte mich schon auf das Buch neugierig gemacht. Beschrieben wird sehr schn, wie die Beziehungen der drei untereinander sich entwickelt haben, wie sie sich immer gegenseitig beeinflussen

und doch immer wieder jede ihren eigenen Lebensweg suchen und finden. Auch das Verhältnis zu ihren Eltern, das auch im Laufe des Buches immer wieder Veränderungen unterworfen ist, wird sehr schön dargestellt. Zwischendurch, zu Beginn vieler Kapitel, findet man kurze Beobachtungen von Außenstehenden, die die Drei in bestimmten Situationen erlebt haben. Zugegeben, abgesehen von dem großen Knall zu Beginn des Buches ist die Handlung nicht gerade spektakulär. Aber auch die kleinen Dinge des Alltags werden auf warmherzige Weise dargestellt. Das Buch ist nie langweilig. Ein nettes Buch, das einen den grauen Alltag vergessen lässt und sich wohltuend von den blichen "Frauenbüchern" abhebt. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Three Wishes by Liane Moriarty Von rief It is a delightful book, full of humor and emotions. It is rather an unusual story, but very probable. I discovered this author and I intend to go on reading her books.

Kurzbeschreibung Three Wishes is an exploration of family, relationships and modern love from the bestselling author of the hit HBO series Big Little Lies. They say trouble always comes in threes. . . For sisters Lyn, Cat and Gemma Kettle, the year they turn thirty-three is no exception. Sensible Lyn is struggling to balance being a mother, wife and businesswoman without losing her mind. Cat, whose perfect marriage is the envy of all her friends, never suspects that her husband has been hiding a secret that will tear her life apart. Directionless Gemma changes jobs and boyfriends every few months and has just met a new man who could be the one to unlock her hidden past. Through everything, the bonds of the sisters are strong enough to withstand whatever life throws at them. That is until the night of their thirty-fourth birthday dinner, when home truths are revealed and things are said that can't be taken back . . . 'Three Wishes feels firmly set in the real world, where trivial domestic details, biting pain and sudden joy regularly overlap on a daily basis' The Telegraph 'Funny, and Dramatic, with vibrant characters, it's a delight' Sunday Mirror 'Highly addictive' She 'Gripping, acutely observed, thought-provoking and funny' Marie Claire 'The writing is beautiful: sometimes funny, sometimes sad but always compelling' Good Housekeeping From Publishers Weekly Three chick-lit heroines are better than one in Moriarty's witty debut starring Sydney-based triplets Cat, Gemma and Lyn Kettle. Borrowing a convention from mystery novels, Moriarty opens with a prologue whose events must be explained through subsequent chapters: in this case, what led one sis to imbed a fondue fork in another sis's pregnant belly at their 34th birthday celebration dinner? Moriarty gleefully describes the triplets' turbulent previous year, which forces them to abandon the roles they've played since childhood. Sarcastic and abrasive marketing executive Cat must grapple with her husband Dan's affair, a miscarriage and a drinking problem, while flighty Gemma, a full-time house sitter, probes her fears of commitment when she meets charming locksmith Charlie. Lyn, a successful entrepreneur, wife and mother, has perfected the art of time management ("Sex with husband. Check"), but she's quietly seized by bouts of panic. Despite such unoriginal problems, Moriarty's novel is a winning combination of smart-alecky fun and feel-good mush (mostly the former). Her writing is smart and playful ("Death was the hot bath you promised yourself while you endured small talk and uncomfortable shoes"), her characters are quirky and lovable and her clever plot turns like the rekindled love between the triplets' divorced parents are fun. Convenient coincidences and a general predictability don't distract too much from the sassy pleasures. Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. From Booklist The Kettle sisters are a strange sight when they are together--a beautiful set of triplets, with two identical and one fraternal. Over the course of their thirty-third year, their lives all take turns no one could foresee. Lyn's perfectly scheduled and organized life begins to fray as debilitating panic attacks come on suddenly in parking lots; Cat, Lyn's identical twin, thinks her marriage is indestructible until her husband admits to having an affair with a young law student; and Gemma, who acts much younger than her sisters, goes from job to job and can't sustain a relationship with a man for longer than six months. Separately, they are strong, independent women struggling with divorce, pregnancy, parents, and jobs. Together, they are a force to be reckoned with as they fight with passion, laugh with gusto, and push each other to be their best selves. Moriarty's first novel, written with wisdom, humor, and sincerity, is an honest look at sisters who have a bond stronger than anything life throws their way.
