**Von Nancy Thayer : Three Women at the Water's Edge** before purchasing it in order to gage whether or not it would be worth my time, and all praised Three Women at the Water's Edge:

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Three Women at the Water's EdgeVon Nancy BoyajyI read Three Women at the Water's Edge for the first time in my 30's, and have read it many times since. At 53, I have just finished reading it again. Over the years I've been able to identify with Dale, Daisy, and now Margaret. Nancy Thayer has been able to capture the intensity of women's feelings and emotions at three different life stages with an accuracy that is truly incredible. Her descriptions of the sensual pleasures in a woman's life are perfect, from the overwhelming intensity of first love, to the feel and smell of holding a newborn baby, to the calm and inner peace of a woman sitting alone in front of the fireplace in the first home she's ever owned by herself. I've read every book Nancy Thayer has written, and I've loved them all, but this one is the

masterpiece. Every woman should have the experience of reading this book.1 von 1 Kunden fanden die folgende Rezension hilfreich. I absolutely love this book!Von Ein KundeI just wanted to write in and say that I bought this book years ago and loved it and I loaned it to my sister. I never got it back. I bought another copy of the book and I eventually loaned it to a friend. She "conveniently" lost it too. I think she really just loved it and didn't want to part with it, just like my sister. I am now buying my third copy because I can't bear to be without it either.0 von 0 Kunden fanden die folgende Rezension hilfreich. I always wanted to thank Nancy Thayer for this book!Von Ein KundeWhen I first discovered *Three Women at the Water's Edge* my children were small and I related exactly to the character with the three small children. My friend and I could not get over how Nancy Thayer accessed exactly the feeling of overwhelming love, frustration, isolation, and responsibility of being with three small children each day, every day. The smallest physical details, every feeling, were exactly on target. Years later I reread this book and related to the mother, starting a new life of her own and wanting to be there for her daughters but not wanting to get overwhelmingly involved in the responsibility of their personal lives again. It just amazed me that the author could so target the emotions of a woman at different stages in her life. Time and again I would think, "Yes, this is how I feel." I'm so grateful for authors who can put my hopes, fears, inadequacies, and strengths into words.

KurzbeschreibungNow available for the first time as an eBook, this classic novel by New York Times bestselling author Nancy Thayer deftly and movingly explores the ebb and flow of love, fulfillment, and change for a mother and her two grown daughters. Margaret Wallace is a woman transformed. After thirty years of marriage and living in a small Iowa town, Margaret has divorced and relocated to Vancouver. While once she was the quintessential housewife and community caregiver, she now relishes the delicious freedom of being beholden to no one but herself. Her days are spent as she chooses, her mind continually occupied and expanding. But her sudden, dramatic change mystifies her two daughters, who need her now more than ever. Margaret's elder daughter, Daisy, with two kids and another on the way, is content to be absorbed in the daily domestic tasks and maternal love that her children need. So when her husband demands a divorce, Daisy is devastated and adrift, stunned to find herself a single parent. Daisy's younger sister, Dale, is freshly back from Europe, living and teaching in coastal Maine. She has suddenly, passionately fallen in lovebut is terrified that the budding romance could end just as suddenly as her mother's and sister's have. As these three women face dramatic changes, their own relationships with each other will be challenged and reborn as they navigate uncharted waters. Includes a captivating preview of Nancy Thayer's upcoming novel *Nantucket Sisters!*Pressestimmen"Compelling, absorbing and rich." --Publishers Weekly"The most honest, deeply felt book about contemporary women that I know." --Elizabeth Forsythe Hailey"A superb woman's book...Sparkling with a radiance of its own...A joy to read." --Chicago TribuneKurzbeschreibungNow available for the first time as an eBook, this classic novel by New York Times bestselling author Nancy Thayer deftly and movingly explores the ebb and flow of love, fulfillment, and change for a mother and her two grown daughters.
