Von L.J. Sellers : Thrilled to Death (A Detective Jackson Mystery Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Thrilled to Death (A Detective Jackson Mystery Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannung Pur, von der ersten bis zur letzten Seite. Kenne ich vom Autor nicht andersVon Friedrich Sdas Buch ist

(leider) nur in Englisch verfügbar, die ersten beiden Bände sind auch in Deutsch erhältlich, und weil die beiden so gut waren, konnte ich nicht widerstehen das Folgebuch zu bestellen (meine Jahre in Breesee waren doch nicht für die Katz). Spannung durch das ganze Buch, das ich manchmal nicht aufhören konnte zu lesen, um zu erfahren wie es ausgeht. Das Folgebuch "Passions of the Dead (A Detective Jackson Mystery)" ist schon auf meinem Kindle. Wer des Englischen mächtig ist und keine Angst davor hat, dem werden spannende Stunden beschert.

Kurzbeschreibung Monday morning, a young mother disappears after a doctor's appointment. Monday evening, a young socialite leaves a risqué lounge after an evening of drinking and never makes it home. Detective Wade Jackson, of Eugene, Oregon's Violent Crimes Unit, ends up with both cases. The missing mother is Danette Blake, a friend of the family, and all signs indicate she may have fled the pressures of life. But Jackson's personal search for her must be set aside when Courtney, the socialite with rich, powerful parents, turns up mysteriously dead in a public place. Pressured by the chief of police, Jackson and his team descend into Courtney's wanton world, uncovering a handful of suspects with disturbing motives. Although it's hardly the first time a case has led Jackson into dark territory, the discovery that the two disappearances are connected brings him face-to-face with the last person he expects. And leaves him wondering, where is the other missing woman?
