Intriguing 2nd part of The Gun Runner trilogyVon Karen O.Trigger Point is a worthy sequel to Major Threat. Once again, Avery Yakushev and Shannon Holmes take turns in tell us about what they feel and how they classify the events. It is a pretty fast paced read with a pleasant flow.With Trigger Point, Charlotte Raine has created the intriguing second part of The Gun Runner trilogy. Trigger Point is also well balanced; the reader gets a little closer to Avery and Shannon. The author increased the thrill, making me want to immediately proceed with the third instalment. I was drawn into the story right away, an invisible and close acquaintance. Trigger Point is a good read for romantic suspense fans, who like to read short stories with a slow and steady increase of thrill.This is a very pleasant read, the second part of The Gun Runner trilogy. Recommended!4.2 stars
