Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Hot and short Von vpobi Just right for in between. Just the essentials without much around it. Easy to read. Professor Robert

Mason has never had a girlfriend like Gabriella. He is her master and she knows how to submit to and obey. This is an outdoor scene on a tree. Hot and maybe a little too short ;)

Kurzbeschreibung Professor Robert Mason is finally ready to collar his submissive/girlfriend. Wanting to make the event as memorable as possible, he decides to take her on a picnic in the meadow near his country estate where they will spend the day eating and enjoying one another's company before Robert has her bound to a tree and at his mercy. Gabriella, a student from Professor Mason's Human Sexuality class, is more than eager to submit to Robert and finally be able to claim him as her Master. Warning - This title contains sexually explicit content, and depicts consensual but taboo sex between a college professor and student, bondage and dominance, sex toys, and oral sex. Excerpt: With a single finger, he traced the curve of her neck, the shell of her ear, and her slightly fuller bottom lip. At an agonizing pace, he teased her, sliding his finger from her lips straight down, against her neck, between her breasts, and over her stomach till he could feel the rough lace of her panties brushing against his fingertips. With skilled hands, he parted her thighs, opening her till he could see the soaked, satin-covered lips of her pussy. Robert could almost taste the intoxicating heat radiating from between her smooth legs, making his mouth water and his cock become impossibly hard at the memory of her singular flavor dancing on his tongue, sinfully enticing him more and more till he could do nothing but helplessly lap at the source. Just knowing how good she tasted, how good she could make him feel, it was agony being so close, yet still so far. No one, nothing, had ever felt as good as Gabriella as tight. "You're so wet, kitten. Does it turn you on being naked out here in the open air?" "Yes, sir," she whispered quietly, her bottom lip tugging at her teeth. It took every ounce of restraint he possessed not to push her against a tree and fuck her till his thick cum ran down her supple thighs.
