Really, it helps to know that the authors believe in God and that they can weave him into a book. You could almost make it an adventure book and a religious

one too and that is what makes me feel good reading this book. This also ties it up and that way you won't have to wait for them to make the next one which i hate to wait. But this is an excellent book and i would recommend it to anyone.

**Kurzbeschreibung**The Civil War has ended, and the Union Pacific and Central Pacific Railroads are locked in a high-stakes competition to link the eastern states with their western counterparts. Jordana Baldwin's writing catches the attention of an eastern newspaper, and she takes on the guise of a man to report on the progress of the rail line...and to spy for the Central Pacific. She continues to correspond with Captain Rich O'Brian, who now works for the Union Pacific. When they meet again, romantic sparks fly, but Rich's past still looms between them. Will competing interests keep Jordana and Rich apart...or bring them together?
