Von L. Frank (Lyman Frank) Baum : Tik-Tok of Oz (Oz series Book 8) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tik-Tok of Oz (Oz series Book 8) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Keine innovative Geschichte mehr Von Pero Tik Tok ist eine Figur aus den Oz-Büchern, die ich sehr mag. Daher freute ich mich auf den Band, in dem er scheinbar die Hauptrolle einnehmen sollte. Tatsächlich spielt er auch eine wichtige Rolle in diesem Band, aber anders als gedacht. In diesem Werk der Oz-Reihe geht es primär um Kriegsführung. Prinzessin

Ann ist es in ihrem kleinen Reich zu de. Also stellt sie eine Armee zusammen, um das Land einzunehmen. Auf dem Weg trifft sie u.a. auf den Shaggy Man, der irgendwie in fast jedem Band eine Hauptrolle einnimmt, was ich nicht verstehen kann, denn es gibt weitaus interessanterer Charaktere in der Reihe. Dann gibt es ein neues Mädchen, das ähnlich wie Dorothy zufällig in das Land Oz gerät. Irgendwann geht es nur noch darum, den Nome King zu bekämpfen. Witzige Begebenheiten wie in vorherigen Bänden sind hier seltenheit, weswegen ich mich diesmal nicht so gut unterhalten habe. Irgendwie scheint es mir, als ob dem Autor die Ideen langsam ausgegangen waren, weswegen nichts wirklich Neues kommt. Ich finde das sehr schade und hoffe, dass die nächsten Bände der Reihe wieder besser werden.0 von 0 Kunden fanden die folgende Rezension hilfreich. Tik-Tok of Oz: The Best Oz Book Von Ein Kunde I read Tik-Tok of Oz, and I thought it was a wonderful tale. It begins when Ann Soforth, queen of Oogaboo decides to conquer Oz. When she sets out with her army towards the Emerald City, Glinda finds out immediately about it in her book of records. She then changes the army's road direction, over the deadly desert over to the Nome King's Dominions. Meanwhile, a girl named Betsy Bobbin and her mule Hank are shipwrecked on the shores of the Rose Kingdom after their ship sinks. They go to a nearby greenhouse, where a bunch of female roses cast them out. Then who should come crashing through the roof than the Shaggy Man. He and Betsy pick a rose princess, and proclaim her the new ruler of the Rose Kingdom. However, the roses don't want the rose girl, whose name is Ozga, as their ruler, so he too is cast out of the Rose Kingdom. They then travel over a bridge to the Nome King's Dominions, where they find Tik-Tok crashed in a well. Then Queen Ann's Army comes along and tries to capture the party. The private then resigns, and Tik-Tok takes his place. Then the two parties band together, and go to conquer the Nome King, because they have to rescue Shaggy Man's brother from Ruggedo, the King of Nomes. Then....., well I'll leave you to read the book and find out what happens. Anyways, this book is the greatest, and should be greatly praised.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Lost Princess Von Ein Kunde The Lost Princess of Oz is one of L. Frank Baum's most imaginative books. It begins with a serious problem, Ozma's disappearance, and with many of the favorite characters. Yet in a parallel story, an early chapter takes us to the Winkie Country and introduces us to some delightful new characters, The Frogman and Cayke the Cookie Cook. We know that Cayke's stolen magic dishpan is somehow related to Ozma's disappearance. I love the role that Scraps, the Patchwork Girl, plays in this book. We meet some whimsical new villages and the beings who inhabit them. We pay attention to small details that are nonetheless important to those most affected by them, such as Toto's missing growl. Illusions are turned upside down and inside out, making us think. It's a delightful journey, all in all, one that I highly recommend.

Kurzbeschreibung This book was converted from its physical edition to the digital format by a community of volunteers. You may find it for free on the web. Purchase of the Kindle edition includes wireless delivery. From Publishers Weekly Can the queen of Oogaboo, a small country in an isolated corner of Oz, take over all of Oz? Talking roses, Shaggy Man and Betsy from Oklahoma are but a few of the unusual characters in Tik-Tok of Oz, the eighth Oz novel by L. Frank Baum, and the first to bring a girl other than Dorothy to that enchanted land. This facsimile edition features 12 color plates and nearly 80 black-and-white drawings by Oz artist John R. Neill.
