Mind-blowing and heart-crushing Von LittleDarlingSweet baby Jesus. This book made me dizzy, incapable of forming a coherent thought it totally knocked me out. Its all you could ask for in a good book and then some. It felt like I was in a boxing match my heart receiving one blow after another and I willingly went back for more. The intensity was off the charts. It left me breathless, emotionally drained, wanting to curl up on the side and contemplate what the hell I just read. Its set about two years after Til Death: Volume One ended and it straight up punched me in the face with its revelations. No warning, no warming up just straight to the point. Well, at least for us readers, Marcus on the other hand has no idea. While Katia has been trying to rebuild her life after having her heart torn out and stomped on by a herd of elephants on fire, Marcus is obsessed with finding her and winning her back. Through flashbacks, we see little glimpses of his life in those two years, the agony hes been going through after having lost Katia. Neither of them have gotten any closure or gotten over how things went down. Marcus is filled with regret. Katia on the other hand is consumed by anger, hate and an all-encompassing thirst for revenge which makes her nearly lose herself to the darkness. When their paths cross again, things go from bad to worse. No matter the intentions either might have, when they are around each other, things dont go right. And as if Marcus didnt have a hard enough time to convince Katia of the true nature of his feelings, life throws another curve ball that he doesnt manage to catch and that shatters the rest of Katias already broken heart. When her emotions spiral out of control, both could lose more than whats left of their hearts and things are set in motion that neither of them might be able to control. I loved the story. Every little bit of it. I adored the character, the main ones as well as the supporting ones. I could feel every single emotion, the good and the bad ones. I suffered with Katia and Marcus, and I loved with them. They broke my heart just to put it back together forever altered. This isnt your typical love story. There are no flowers and sunshine, no violins playing in the background and birds chirping, no long walks on the beach and candle-light dinners. Its a love thats gone wrong, but too powerful to be stopped. Its destructive in its own way and threatens to leave nothing behind but devastation. Its about a love thats wild, raw and unapologetic. A love full of passion, desire and lust. A love so different that its hard to comprehend. But a love that cant be silenced or ignored. Its a love story about two people that manage to find a way to let go of the past in order to have a future. And this, in its own twisted, heart-wrenching way is full of beauty. 5+ twisted-like-a-pretzel, heart-wringing stars.

Kurzbeschreibung From USA Today Bestselling Author. *This is a two part series, both parts are now available. This is the second part** You know how it went for me. You know what he did. You know the fire he left inside my soul when he crushed me into a thousand tiny pieces. Since Marcus, my life has been a blur of emptiness. Since Marcus there has been nothing. Im alone, my Mom is dwindling and I feel nothing but emptiness. I work long, I work hard, but why? Theres no longer anything to fight for. I know I have to face him. I know I have to go back. To fix my life, I have to break my ties to him. Seeing Marcus again will destroy me, but its time to finish this. I dont expect the bitter, twisted emotions Ill feel when I see him again, and when I lose everything once more, because of him, the only thing on my mind is revenge. But how do you hurt someone you still love so deeply? How can I still care for a monster? How can he still make me feel? Our story is the most complicated of them all, its far from beautiful, its far from perfect, its just a twisted mess of emotion that neither of us knows how to fix. But we will fix it. Youll see. Contains Adult Content. No Cliffhanger. HEA. Kurzbeschreibung From USA Today Bestselling Author. *This is a two part series, both parts are now available.
