Von Jack Finney : Time and Again (Time Series, Book 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time and Again (Time Series, Book 1):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Tolles BuchVon ventiluneIch hab diesen Roman schon mehrmals in Deutsch gelesen - aber im Original gefllt er mir noch besser.Die Vorstellung in alte Zeiten zurckzugehen fasziniert . Aber man denkt dann auch an die unwgbarkeiten dieses Abenteuers.Mal sehen, wie oft ich dieses Buch noch lese.0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein

Klassiker der Zeitreisen
Von hoss
Ein wunderschönes Buch, das ich vor langer Zeit gelesen habe und immer wieder an Freunde verschenke (so geht auch das hier bestellte Buch an eine liebe Freundin meiner Frau).

Unforgettable
Von Ein Kunde
This was the first (and remains the most memorable) Jack Finney book I read and it was simply delightful! It's sort of a mix of historical novel and science fiction, an unlikely combination. Finney presents a fascinating account of a very unique way to travel through time (going BACK in time instead of FORWARD), and makes sure the reader is thinking about the amazing impact such a time traveler could have on our lives today. What's fun is Finney makes you believe you could really do this! Why not? Along with thought-provoking details about how Si Morley, the main character gets back to late 19th century New York City, Finney weaves a remarkable and dramatic story of crime, love, passion, and life in New York over 100 years ago. The text is accompanied by period photos (supposedly taken by the "first-person" author, which add a real feel of authenticity. You're bound to learn something neat about old New York; the story will stick with you and will doubtless lead you to other Finney time travel books; he's a master at the genre! Enjoy!

Kurzbeschreibung
Now with masterfully restored original artwork, lovers of time travel, romance, and adventure can rediscover *Time and Again*, the beloved classic hailed as THE great time-travel story by Stephen King, author of *11/22/63*, and praised as a pure New York fun by Alice Hoffman, author of *The Museum of Extraordinary Things*.
When advertising artist Si Morley is recruited to join a covert government operation exploring the possibility of time travel, he jumps at the chance to leave his twentieth-century existence and step into New York City in January 1882. Aside from his thirst for experience, he has good reason to return to the past: his friend Kate has a curious, half-burned letter dated from that year, and he wants to trace the mystery. But when Si begins to fall in love with a woman he meets in the past, he will be forced to choose between two worlds forever.
Called the great time-travel story by Stephen King, *Time and Again* is admired for its rich, painstakingly researched descriptions of life in New York City more than a century ago, and for the swift adventure at its core. With newly digitized art, you will fall in love with this refreshed classic all over again.
Pressestimmen
"The great time-travel story." (Stephen King)
"Go back to a wonderful world and have a wonderful time doing it." (New York Times)
A cult time-traveling favorite . . . This one is pure New York fun. (Alice Hoffman, author of *The Dovekeepers*)
Werbetext
'One of the most important, and most moving, timeslip texts yet composed' THE ENCYCLOPEDIA OF FANTASY.
