Von A.C. Crispin : Time For Yesterday (Star Trek: The Original Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time For Yesterday (Star Trek: The Original Series):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. A classic from a great authorVon Ein KundeThe sequel to Yesterday's Son by the same author, and even better than its prequel. Spock and Zar are reunited when the Guardian of Forever stops working properly and causes time waves that make time move fast enough to kill stars - and so also the planets around them. Spock, McCoy and Kirk go back to the past to find Zar so he can return with them and mind meld with the Guardian to tell it to return its consciousness to the 23rd century and resume its duties. Spock goes back shortly before Zar's death, hoping to bring him back for good, but Zar is determined to go back to his own people and his new wife to fight the battle that killed him. It's a wonderful story that goes from fun to heart wrenching to just plain loveable. We get to see a dimension of Spock that was never explored on the show, and for once in a Star Trek book the emphasis isn't on Kirk's postulating. I loved this book, I urge everyone to buy it!1 von 1 Kunden fanden die folgende Rezension hilfreich. EntertainingVon Seth ArmstrongI first read this book several years ago, and it has remained one of my favourites. It is among the best Star Treks novels. The world Crispin creates (of Zar's world and people) is well done, and the battle sequences are better than expected. I particularly enjoyed this one because it focused on Spock and his son and not so much on Kirk. An excellent ending as well. My only complaint is that it was too short. I wanted more. Better than the prequel, which I did not read until after this one...1 von 1 Kunden fanden die folgende Rezension hilfreich. You must read Yesterday's Son before reading this sequel.Von Ein KundeTime for Yesterday takes the memorable story that Crispin created in 1984. The story revolves around the trials and tribulations of Spock's son, who was conceived as a result of passing through the Guardian of Forever.The Guardian of Forever, and the whole concept of Spock having a son in an alternative timeline, is a refreshing concept. If you liked Yesterday's Son, then you will also like this novel.

Kurzbeschreibung Time For Yesterday Time in the galaxy has stopped running its normal course. That can only mean one thing -- the Guardian of Forever is malfunctioning. To save the universe, Starfleet command reunites three of its most legendary figures -- Admiral James T. Kirk, Spock of Vulcan, and Dr. Leonard McCoy -- and sends them on a desperate mission to contact the Guardian, a journey that ultimately takes them 5,000 years into the past. They must find Spock's son Zar once again -- and bring him back to their time to telepathically communicate the Guardian. But Zar is enmeshed in troubles of his own, and soon Kirk, Spock and McCoy find themselves in a desperate struggle to save both their world -- and his!Kurzbeschreibung Time For Yesterday Time in the galaxy has stopped running its normal course.
