Von Rysa Walker : Time's Echo: CHRONOS Files 1.5 (The Chronos Files) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Time's Echo: CHRONOS Files 1.5 (The

Chronos Files) (English Edition):

Kurzbeschreibung This Kindle exclusive CHRONOS Files novella gives Timebound readers a glimpse at Kate in another timeline and helps set the stage for Time's Edge, the second book in The CHRONOS Files Series. Kiernan Dunne abandoned his family ties to help Kate fight the Cyrists, and he's never regretted that for one moment. But he doesn't understand why Kate can't remember that night in 1893 Chicago, when she turned back to face the killer chasing them through the smoky corridors of the World's Fair Hotel. Kate placed the CHRONOS key around his neck and made his eight year old self promise to wear it always, and that's a promise Kiernan has never broken. When Kate suddenly vanishes after a Cyrist-engineered time shift, that hidden medallion is Kiernan's only hope for finding her. He returns to the Cyrist fold to look for clues, but his search will lead him back to the question that has haunted him for years--what really happened after he left Kate at the World's Fair Hotel?
