Von Alex Howard : Time to Die (The DI Hanlon Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Time to Die (The DI Hanlon Series):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Middle of the road Von R.Lionheartm As a crime story this is ok and light enough for a bedtime read. The story is a little far-fetched though and very "American" in vocabulary and usage. I have the suspicion that although the author places the story in London, he has never been there. The amount of "London" in the story is minimal. 0 von 0 Kunden fanden die

folgende Rezension hilfreich. Superwoman Von Constant Bookworm It's good to read a book with a tough and competent heroine. However, DI Hanlon is actually superwoman and has no human traits whatsoever. The plot is fast and tidily plotted, but I could not like the woman and will not read any more of the series.

Kurzbeschreibung Detective Inspector Hanlon. She'll break but she won't bend. A woman with a habit of breaking the rules and a fierce loyalty to the few people she respects. Her boss, Corrigan. Looks like a street copper promoted above his ability. Underestimate him at your peril. Enver Demirel. Known in the boxing ring as Iron Hand. Now soft and gone to seed. But he would do anything for Hanlon. Now the kidnap of a 12-year-old diabetic boy has blown the case of some missing children wide apart and the finger is pointing at the heart of the Met. Corrigan sends in the only cop in his team who would care more about the life of a boy than about her own career. Hanlon. And then he sends Demirel to spy on her... Pressestimmen 'I loved Hanlon. TIME TO DIE was brilliantly done, authentic and doesn't pull any punches... The story twists and turns its way to an edge of the seat conclusion... scintillating and heartfelt' Lizlovesbooks.
