But he has become her worst nightmare. Now one vicious act has driven Sara to take her ten-year-old son and flee. Yet the only thing more frightening than running away...is trusting a stranger to help her.ONE SHOTSpannung - heie Szenen, Romantik, flssiger Schreibstil... was will man mehr?Chase McCaffrey is a damn good sniper, and an even better SEAL--but he's no knight in shining armor. His impulse to help Sara is as puzzling as the subtle way she steals into his heart, resurrecting emotions he thought he didn't have. Concealing mother and son at his remote, Oklahoma ranch, Chase dares to hope the past will never find them. Yet there are sinister forces afoot, threatening to expose them. And a calculating husband tracks them down, if only to prove that Sara is his, forever--even in death

KurzbeschreibungOn the run from her controlling husband, Sara Garret has discovered she's got a spine of steel - and she'll do anything to protect her son. Now the person she must turn to is another man. But this SEAL, with his Harley and ponytail, is no knight in shining armour.From BooklistAfter Garret, her abusive husband, strangles her son's pet to "teach him a lesson," Sara begs Chase McCaffrey to help them disappear. Using his SEAL training, he spirits them away to his forsaken Oklahoma ranch, an unexpected legacy from his hated stepfather, but ends up clashing with a group of skinheads using the place to store illegal weapons in preparation for a terrorist attack. Meanwhile, Garret is hot on Sara's trail with vengeance in mind and an Amber Alert in force to help him. Melton's edgy contemporary romantic suspense winds up the SEAL Team Twelve trilogy--Forget Me Not (2004) and In The Dark (2005)--with emotional fireworks as well as some fancy sniper shooting, courtesy of Chase's military training and expertise. Once again Hannah Geary Lindstrom plays a pivotal part in the proceedings, facilitating romance while she protects Sara and her son's new identities, and puts the FBI's vast resources to work ferreting out the skinheads' plans.
