Exciting and funny romance for the Dragon and his HunterVon RobynLovely, comical, sweet and oh so naughty! I thought that this was a great story. The characters were charming and funny. Zarek is in search of his one true mate before his very mature birthday. If this sexy dragon does not succeed, well lets just say his new profession maybe a monk. While out at a club he spots an incredible woman that he must have. With the power or charm and his aphrodisiac saliva he moves in on Keren. Keren is a quiet stay at home kind of girl; at least that is what she wants you to think. At night her alter persona, Demon Hunter is alive and ready for action. Keren comes from a long generation of hunters, specifically Dragons. Although in the past hunters lost sight of what is right and wrong and killed for fun; Keren has not. Keren is doing her best to leave and Zarek swoops in for the Killer Kiss! Once he thinks he has her a surprise left hook finds a love connection with his jaw. The banter between these two is witty and very funny, a story of a love sick puppy, but with lots of sweet lovin. This was great as a standalone book. Will love find a way into the heart of a Dragon Hunter? Can the Dragon look beyond and see true love? Read and enjoy.0 von 1 Kunden fanden die folgende Rezension hilfreich. Wer hat dem Autor gesagt, er knne schreiben...Von Customerden das kann er defintiv nicht und das nicht nur wegen dem niveaulosen Stil und Wortart. Das Ding ist umsonst, aber Sie sollten einen bezahlen um es zu lesen.
