I fall in love with Hunter Brothers. But what about Prince Brothers? I also want to read about Nik, Zak Rick? Are we going to read their stories? You can't be this cruel, can you, Ms. Mortimer?

KurzbeschreibungJarrett, Jonathan and Jordan are Bachelor BrothersJordan.The youngest Hunter brother, he's dark

and devilishly attractive, and he's been content to play the field until Stazy takes a lease on the apartment next door. Stazy. At first Jordan finds her teasing, infuriating, because she treats him as casually as the other male admirers who seem constantly to knock at her door. But then Jordan catches glimpses of the warmth and vulnerability that lie beneath Stazy's beautiful exterior, and he realizes there's only one way to get to the head of her lineup: be her bridegroom!
