Von Tad Williams : To Green Angel Tower: Memory, Sorrow Thorn Books 3 4 before purchasing it in order to gauge whether or not it would be worth my time, and all praised To Green Angel Tower: Memory, Sorrow Thorn Books 3 4:

Kundenrezensionen Hilfreichste Kundenrezensionen 5 von 5 Kunden fanden die folgende Rezension hilfreich. Eine packende Fantasy-Trilogie Von Michael Winckler Nach dem Erfolg der Hardcover-Auflage der Drachenbeinthron-Trilogie und der Otherland-Saga sind die Drachenbein-Romane (Memory, Sorrow and Thorn) nun von mehreren

Anbietern (Little Brown, Daw Books, ...) in Paperback-Ausgaben erhältlich. Technisches: Wie abzusehen, wurde der sehr umfangreiche dritte Teil in zwei Bücher aufgesplittet, was der Lesbarkeit keinen Abbruch tut, aber den Arm des Lesers wie auch die Leimung entlastet. In der deutschen Ausgabe war dies ja schon bei der Hardcover-Edition notwendig. Inhaltlich: Memory, Sorrow and Thorn ist eine wunderbar gemachte Geschichte um das klassische Fantasy-Setting "Kampf gegen das Böse". Die komplexe Handlung ist nichts für Gelegenheitsleser, denn zu schnell verliert man sich in den über 400 Charakteren, die in zum Teil 6 Seitenhandlungen ihren Beitrag zum Fortgang der Zentralhandlung leisten. Handwerklich: Tad Williams kann man durchaus auch als Deutscher im Original lesen, wenn man sicher mit Englischer Literatur umgeht. Die Sprache ist variantenreich und episch, teilweise etwas zu verspielt. Hier würde man sich manchmal ein wenig mehr äussere Handlung wünschen. Doch dies sind nur kleine Details, die den hervorragenden Gesamteindruck nicht mindern. Fazit: Ein wunderbarer Fantasy-Roman, der zurecht den Ruf von Tad Williams als einem Hoffnungsträger des Fantasy- und SF-Genres begründet hat. 0 von 1 Kunden fanden die folgende Rezension hilfreich. 6 stars is what it should have! Von Chris Gatterbauer I'll try to keep this short, yet still explain the multitude of reasons why you should (will) buy this book. I am a student of biochemistry, and reading (everything I get my hands on) is my most important past time. The first time I read this series I read it in German (I live in Austria). Since then I have bought the English Paperback Version of all books, read it one more time in German, and three times in English; and now plan to buy the hardcover books (only few books get the "hardcover award" from me, since I couldn't afford it else - Lord of the Ring has, so do the Simarillion and LOTR, as well as a book about the Roman law and its development until today...). Bought three times, read 5 times....within 7 years... Anyway the whole series is ended with this book, which in itself is as long as the previous two. The pace gets faster, the story more tense, the characters develop and are finally taking action themselves, the plot finally gets solved (...), a love story developing, a happy-end with a slightly bitter taste, you may dwell on the world you have grown to love on 1600 more pages. Problem is: it's too short! (whine, whine, I want more) Of course it isn't the perfect story/book. But that is as good as they get. Trust me-READ THIS BOOK. I'd be proud of you....(probably doesn't help you in any way, but still) 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great Story, Entertaining, but why are there so many spelling mistakes Von musikliebhaber Even when this saga is not as unique as the saga "A Song of Ice and Fire" by Martin, it is nevertheless worth digging into it. So thumbs up for all the characters and twists and plots by Tad Williams. What I don't understand is, why there are so many spelling mistakes in the Kindle version of this book. Sometimes there were mistakes every four pages... Obvious ones. I would the publisher suggest to review the Kindle version.

Kurzbeschreibung In order for the Storm King can cement his power over Osten Ard, he must find and defeat the rebel forces massing against him. But the rebels, led by the exiled Prince Josua, have rallied at the Stone of Farewell and are ready to fight the Storm King with every power they can muster. The key to their victory lies in finding the third sword of legend, Memory - but the sword has been lost for ages. Lost, that is, until Simon Snowlock realises that he knows exactly where the sword is and how to recover it. The only problem: an undead army, bolstered by powerful magic, lies between him and his destination. It will take every ounce of Simon's courage and intelligence to journey to and then recover the great sword Memory and bring peace to Osten Ard. If Simon's quest is to have any hope, Josua must move against the Storm King himself - a journey that will take him across endless seas, through ancient forests and into the stronghold of the Storm King himself. TO GREEN ANGEL TOWER is the epic final volume in Tad Williams' breathtaking, beloved series Memory, Sorrow and Thorn. From Publishers Weekly This sprawling, spellbinding conclusion to the trilogy that began with The Dragonbone Chair weaves together a multitude of intricate strands, building to a suitably apocalyptic confrontation between good and evil. Prince Josua wins a first victory against the forces of his brother, Elias, who rules as High King in Osten Ard. Elias has the help of the dark priest Pryrates and of Ineluki the Storm King, onetime ruler of the immortal Sithi (the race that preceded humans). But others defy him, including Elias's own daughter, Princess Miramele, the scullion turned knight Simon, and Camaris, once one of the greatest knights of Osten Ard and wielder of the sword Thorn, one of the three weapons that may effect a victory over Elias's hordes. As Josua's forces-- augmented by those Elias has wronged and by friendly Sithi-- approach the king's stronghold, a secret battle takes place in the underlying caverns. It will affect not only the conflict's outcome, but also the futures of many races. The main caveat to Williams's engrossing epic is its length. A tetralogy might have been more easily digested, although that format might have drained some of the extraordinary tension built up in the book's closing pages. Copyright 1993 Reed Business Information, Inc. From Library Journal As Ineluki the Storm King and his undead minions gather strength for their war of conquest, Simon and his companions race against time to puzzle out a prophecy that can save their world. Multiple plot lines converge in a surprising final confrontation as Williams concludes his panoramic trilogy in grand style. Fans of The Dragonbone Chair (LJ 9/15/88) and The Stone of Farewell (LJ 6/15/90) will not be disappointed in this well-written extravaganza. Copyright 1993 Reed
