Von Peggy J. Herring : To Have and to Hold (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised To Have and to Hold (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. This book is a roller coaster ride!Von mscatherinemsThis book is my third Herring novel. The writing is good and the characters are well developed, but whoa-just when you think you know what is going to happen next with Dorian-watch out. The novel story goes from funny to being nice and romantic-then hot and steamy-then you don't know what

is going to happen next. The main character is someone we can all relate to. She has been hurt and is a bit closed off and cautious about getting involved again. The people she meets are good people, but they have their own baggage, too. The novel was at times painful to read when Dorian faces some really painful pitfalls but as in all rollercoaster rides-the ride eventually stops and we end up smiling. Well done Herring.0 von 0 Kunden fanden die folgende Rezension hilfreich. short romance novel Von Sandra I would say it's an average read. Not bad, but some issues are never really resolved or wrapped up too quickly.

KurzbeschreibungIt was hard to understand why a woman as attractive and likable as successful civil engineer Dorian Sandler would still be living single. Her friends think it's because she's clueless when it comes to picking up on the romantic signals women were always sending her way. But in reality, Dorian has yet to recover from a disastrous relationship that left her numb and empty inside. Enter Lorraine Niles, a beautiful single mom with just the right tools to break down the wall around Dorian's heart. With Lorraine taking the lead, their friendship grows to intense passion, and Dorian begins to fall in love. But, by finally letting down her defenses, is she opening herself up to a devastating betrayal?**Kurzbeschreibung**It was hard to understand why a woman as attractive and likable as successful civil engineer Dorian Sandler would still be living single.
