Phantasy-Abenteuer- Romanze mit einer Prise Humor Von Ju Auch der 3. Teil der Serie ist spannend. Jedenfalls sollte man auch die beiden vorigen Bnde gelesen haben. Die Geschichte ist eine sehr unterhaltsame Verbindung von Phantasy-Abenteuer-Romanze mit einer Prise Humor, was die Bcher von Mallory von Bchern anderen Autoren hnlichen Genres sehr positiv unterscheidet. Fr mich ganz klar: Wann kommt der nchste Band?

Kurzbeschreibung New York Times and USA Today Bestselling Author, HP Mallory, brings you The Lily Harper Series! H.P. Mallory has a quick wit, a fresh voice, and a clever way with words. If you like Charlaine Harris, you'll love H.P. Mallory! ~ Larissa Ione, New York Times Bestselling Author If you like your books steamy (this is an Epic Fantasy Romance) and you aren't easily offended by potty-mouthed, crass guardian angels, read on! TO HELL AND BACK is the third book in the Lily Harper Paranormal Adventure Series! The first book is BETTER OFF DEAD Lily Harpers third mission into the depths of the Underground City finds her battling its demonic residents in the Toy Store, level four of the hellish afterlife. Although Lilys guardian angel, Bill, is by her side every step of the way, Bill isn't much of a consolation when it comes to fighting things that go bump in the night. Instead, Lily would much prefer to rely on the brawn and brains of the two thousand year old Celtic warrior, Tallis Black. But Tallis is busy battling his own demon the internal type. While in the Underground City, Lily finds herself on the wrong end of a demon's wrath. A surprising encounter with the Master of the Underground City, Alaire, not only ensures her survival but also leaves her in the unenviable position of being in Alaire's debt. It's no secret that Alaire harbors a strange and unsettling fascination with Lily but she's more concerned with solving Tallis's deep and dark mysteries hidden beneath his stoic exterior. While becoming better acquainted with the master of the Underground City and coming ever closer to unraveling the enigma that is Tallis Black, Lily can only hope she makes it through hell and back. It's funny and horrifying at the same time. I also like the way it has many references to "Dante's Inferno". What I like the most about it is it's different compared to all the series she has written when it comes to the male hero. He's definitely not your model hero guy and, instead, has some serious flaws and makes you second guess all the time which side is he exactly on. I find him very intriguing. --Northrup I'm so glad I gave this series a shot. I could not stop laughing reading the antics of her guardian angel Bill. What a hoot. I never thought you could have such a dark and twisted series with so many moments you have to stop all together and laugh. --Babydoll ALSO BY HP MALLORY: THE JOLIE WILKINS SERIES: Fire Burn and Cauldron Bubble Toil and Trouble Be Witch (Novella) Witchful Thinking The Witch Is Back Something Witchy This Way Comes THE BRYN AND SINJIN SERIES: Spinoff to the Jolie Wilkins Series Sinjin The Scent Blood Lust (Novella) THE DULCIE ONEIL SERIES: To Kill A Warlock A Tale Of Two Goblins Great Expectations Wuthering Frights Malice In Wonderland For Whom The Spell Tolls Eleven Snipers Sniping (Short Story) A Midsummer Nights Scream Grave New World THE LILY HARPER SERIES: Better Off Dead The Underground City To Hell And Back Persephone The Bladesmith (Novella) THE PEYTON CLARK SERIES: Ghouls Rush In Once Haunted, Twice Shy Big Easy Murder (Novella) ICE WOLF (Co-authored with JR RAIN) If you enjoy reading HP's books, add yourself to her email list to keep on top of new releases, contests and other fun stuff!
